Old School Punishment.

Old Master Drake brought his angry red. And his face looked as if he had been... Along with the girls, he said.

Then Anthony Blair, with a scuffed air. With his head down on his breast. Took his penitent seat by the maulen ewet.

That he loved, of all, the best.

And Anthony Blair seemed whimpering there. But the roguish old man, says a fashion...

For he peered at the girls with the beautiful curls. And ogled them over his sleeve.

Mother-Slight.

Under the apple bough she sits. The smiling one in her hair. Dimples and laughing through the snow...

And as I gaze I picture me. Beside this darling of the woods. Two innocents with softer looks...

They frolic with love in the grass. They lean to kiss and kiss and kiss. They catch the petals as they fall...

They teach the little earthling how. To smile in love and love and love. With some great graces and some...

Oh, do I really love them. From both delights of my childhood years. Or do I only dream them...

Because I see her through my tears?

ROCKY MORE'S TRICK.

Showing how an Old Tar was not "Shanghai'd," but the Land Shark was.

It is well known that it was formerly the habit of land sharks, as they are termed, when salutes were scarce, to shagbally sailors as they came on board...

Rocky More had just come home from the ship Drake, Captain Baker, from Bombay, and had been paid off with six months' wages...

It was winter time, and it was mighty hard for the men for the Liverpool, and as high as \$75 advance, and \$100 blockade, and the ship's masters were very glad to see Rocky More...
