American Silk Manufacturers.

Few people not actually engaged in the business have any just conception of the magnitude of the silk manufacturing industry of the United States...

The Connecticut Legislature at its last session provided for this by an appropriation, to be located at Middletown, as an ample chemical work laboratory...

This result is the more satisfactory because our manufacturers have had up to the present no means of testing the quality of their raw silk...

The importance of the silk industry to our country may be judged from a few facts. The number of firms and manufacturers in the United States...

The workers are exposed to no such dangers of accident to life or limb, or of poisoning from unwholesome materials, as are the workmen in many kinds of factory labor...

Five or six men ride up on a horseback. I touched my hat and say: 'Gentlemen, I've got to see you. You'll be here every day all night long...

A frightful catastrophe has befallen a large party of pilgrims to the Malabar shrine on the Timala mountains in India. They were camped in the shade of a forest at the base of the shrine...

She was an elderly lady, and as she seated herself on one of the stools in a Nevada street and asked to be shown some 'collier', she remained silent...

When the English fleet under Lord Nelson was lying down upon the French ships anchored in Abouki bay, the first shot was fired by the British...

A man living in Essex county, Virginia, in digging a well recently, at a depth of about thirty feet came upon the trunk of a large tree several feet in diameter...

AN IMPROVIDENT HEING.

The Half-Breed of the Hudson Bay Territory. The occupations of the half-breed of the Hudson bay territory, when not engaged as a vagabond or agriculturalist...

New York merchants are petitioning the post-office department for a direct mail to Great Britain, there being no mail at present...

Under the pressure of the great powers Turkey is diminishing her concentration of troops in the Balkans...

Dr. George McKimstry, an old California miner, tells the old story of the discovery of gold in California, as follows: Captain Sutter wanted lumber for building...

Dr. Hall says that no person should get out of bed as soon as waking, that is, no man. He should lie and speculate and theorize while his wife is sitting by his bedside...

'Peppermint' writes the 'Miner's Journal' from Donalson, giving an account of a narrow escape made by a man named Henry Miller...

As he was an old and experienced miner, he thought he would give me all his suggestions, and continued to talk. Suddenly the bank did give way and came down on him...

At present he is totally unable to use his legs. The only way to get him out of the hole was to cut a hole in the side of the mountain air which would be conducive to health...

When the English fleet under Lord Nelson was lying down upon the French ships anchored in Abouki bay, the first shot was fired by the British...

A man living in Essex county, Virginia, in digging a well recently, at a depth of about thirty feet came upon the trunk of a large tree several feet in diameter...
