such attractions as well as conveniences such attractions as well as conveniences about home that farmers' daughters need not resolve that they will never be all sin. God, through his Gospel, has impression and strengthened the Carlist party.

And the tree and relations as well as conveniences about news and glad tidings. First, because it takes out of our paths party. farmers' wives.

pendence was attributable to its finan-cial condition. He related to me an incident which I will repeat, as nearly as I can recollect, in his own language:
I knew, said he, that our Confederate otes which had been made a legal tener were terribly depreciated, but a ittle purchase that I made brought the walking along one of the streets of Richmond with some of my friends from the untry, a short time before the fall of the city, I observed in the window of a shop some fine apples for sale. Thinking that it would be a nice thing to treat each of my friends to an apple, which

was then a very rare fruit in Richmond, I stepped into the shop and said to the dealer: "How much for your apples?" Three dollars apiece," was the reply.
Three dollars apiece!" I exclaimed "that is an outrageous price for apples.
"Can't help it," said the dealer; "it is as cheap as I can afford to sell them." price for an admirably-formed cat, large as life, and almost as natural, of a beautiful tortoise shell color, with a "cute-looking" head and noble tail, and set his in the party and \$24 was rather more than I could conveniently spare at the time, but as I had

apples were placed upon the counter, nd as I was taking out my wallet to pay he saw a robin perched on that iron cat's back and looking leisurely about to see which cherry it had better go for first! I and that it would look better to pay for How Often Should Cows be Milked.

Regularity in the milking of cows is of as much importance as regularity in feeding them. In a state of nature, the cow is relieved of its milk a great many times a day. A calf allowed to remain the dealer, seizing the half dollars, and that it would look better to pay for the apples with them than with the Confederate notes; so, involuntarily almost, if threw both pieces down upon the counter, remarking: "Perhaps that will pay for them." "Oh, yes," said the dealer, seizing the half dollars, and that it would look better to pay for the apples with them than with the Confederate notes; so, involuntarily almost, will pay for them." "Oh, yes," said the dealer, seizing the half dollars, and that it would look better to pay for the apples with them than with the Confederate notes; so, involuntarily almost, the counter, remarking: "Perhaps that will pay for them." "Oh, yes," said the dealer, seizing the laft dollars, and that it would look better to pay for the apples with them than with the Confederate notes; so, involuntarily almost, the counter, remarking: "Perhaps that will pay for them." "Oh, yes," said the dealer, seizing the laft dollars, and that it would look better to pay for the apples with them than with the Confederate notes; so, involuntarily almost, the counter, remarking: "Perhaps that will pay for them." "Oh, yes," said the dealer, seizing the laft dollars, and the counter in the pay for them." "Oh, yes," said the dealer, seizing the laft dollars, and the counter in the pay for them." "Perhaps that will pay for them." "Oh, yes," said the dealer, seizing the laft dollars, and the counter in the pay for them." "Perhaps that will pay fo hastily dropping them into his till,
