

The Lord loves a cheerful giver. The May of life blossoms only once. Sweet mercy is true nobility's true crown.

Terms: \$2 a Year, in Advance.

FRED KURTZ, Editor and Proprietor.

CENTRE HALL, CENTRE CO., PA., THURSDAY, FEBRUARY 3, 1876. NO. 5.

THE NEXT CENTURY.

Where, were he by the birds that sing A hundred years to come? The flowers that now in beauty spring A hundred years to come?

FRED KURTZ, Editor and Proprietor.

Man, says the Saturday Review, has been distinguished from brutes as a cooking animal.

The Reward of Kindness.

Mrs. Gorham put down a letter she had been reading, and called the table at her dining-room. She had a young girl sitting opposite to her.

One of the men who had been in the picture gallery, Cornelia called out, as she was standing near the door.

They admitted their pictures together, and the young lady was cordial and cheerful.

They were sitting at the table, and the young lady was looking at the pictures.

Precious Pets.

Man, says the Saturday Review, has been distinguished from brutes as a cooking animal.

They were sitting at the table, and the young lady was looking at the pictures.

The Country the Place for Mechanics.

In these hard times for workingmen in all branches of business, the following observations are worth reading.

What is the cure for gossip? Gossip is a great evil, and one that is easily spread.

Some Centennial College Statistics.

The old historic Continental Congress will be sure to attract much attention during the year upon which we have entered.

The origin of life, remains an unsolved mystery. Science has tried in vain to solve the mystery.

Age and Crime.

Age materially influences the extent and degree of crime, the relation to physical and functional development, age exists as a defining force.

Chinese Habitation. Eastern architects may get some hints from the following description.

My World, and what it is Composed of.

Owing to the indefatigable investigations of the analytical chemists, and to their zeal in the cause of science, the world that has not passed through the ordeal of their crucibles and test tubes.

It is a world of air, water, earth, and fire, and is composed of many elements.

The world is a vast and complex system, and it is composed of many parts.
