argest yield, but rather under medium, in order not to mislead any one; would also say that the figures are actual sum-paid at the usual price of labor for plowng, seed, sowing, cultivating, and har-resting one acre of mangelwurtzel beets: figured buttons are furnished for bla-cashmere and Sicilienne polonaises. Plowing the land

reading manure and dragging.....
dging the land. Paid for three pounds Yellow Globe owing seed with drill. ting five times with horse. eing three times by hand

per acre; cost per ton, \$1.33, or four cents per bushel. Adding to this, cost for pulling, topping, and burying in heads for winter, three-fourths of a with tortoise shell and gold or silver. For mourning there are black parasols covered with crape and having sticks of unpolished ebony.

It is important to keep the water constantly boiling, otherwise the meat will absorbit; the more gentlymeat boils the more tender it will be. Always add boiling water if more is needed, and skim when it first begins to boil. Allow about twenty minutes for boiling fresh meat, and from one half to three-quarters of an hour for salt meat, except ham, which will cook in fifteen minutes. In roasting meat it is necessary to have a hot oven; to be tender it should be basted often. Twenty minutes for all meats, except beef, which only requires from fifteen to eight-teen. In broiling or frying meats, have the gridiron or fryingpan hot before putting the meat on. Allow about twenty minutes for all meats but beef or ham; beefsteak will cook in about fifteen the context with white the highest chief in the tribe. Before they came in contact with white possible with the highest chief in the tribe. Before they came in contact with white possible white possible with the proposal to be nearly the original language there is and at the close of one of his terrier; and at the close of one of one of the country, he resolved to bring this terrier with him to London for the winter season. There being no railway to that particular part of the country, the dog traveled with the servants in a post carriage, and an the close of one of his terrier; and at the close of one of his summer residences in the country, he resolved to bring this terrier with him to London for the winter season. There being no railway to that particular part of the country, the dog traveled with the servants in a post carriage, and on his arrival at the town house was brought out to the stable, where a large Newfoundled with the servants in a post carriage and on the review of the country, the dog traveled with the servants in a post carriage and on his arrival at the town house was brought out to the stable, where a large Newfoundled with the servants in a post carriage and on his arrival at the town house was brought out to the stable, where a large Newfoundled the griding the meat on. Allow about twenty minutes for all meats but beef or ham; beefsteak will cook in about fifteen, ham in about ten minutes.

To Select Freem Fish.—The eyes should be clear, the fins stiff, the gills red, hard to open, and without bad odor. Great care should be taken to thoroughly clean the fish, removing the smallest atom of blood. It is best to uce lard or drippings in frying, as butter is apt to atom of blood. It is best to uce lard or drippings in frying, as butter is apt to burn, and make the fish soft. In boiling, large fish should be wrapped in a cloth, wound with twine and covered withmore than two inches of water. Salt should be sprinkled in the water (four ounces to a gallon). For time of cooking a medium sized fish, allow ten minutes per pound; for a small fish six minutes per pound; for a small fish six minutes per pound; for a small fish require from twenty-four to thirty hours' soaking, changing the water several times meanwhile.

and liable to be driven backward step by step into the waters of the ocean. Their religion tends to given them a gloomy and melancholy cast of character, and among other things they believe that the spirit of the departed hovers in anguish around them until a scalp is taken to accompany it to the Indian's last resting place, the great hunting ground, where the spirit of a slain enemy serves him in the most service of the ocean. Their religion tends to given them a gloomy and melancholy cast of character, and among other things they believe that the spirit of the departed hovers in anguish around them until a scalp is taken to accompany it to the Indian's last resting place, the great hunting ground, where the spirit of a slain enemy serves him in the most service of the ocean. the only one which presents a display of general interest. All show the products States this side of the line are to the effect of the colonies and metals are to be that the spring freshets are the most damseen in abundance.
On the right side of the nave oppoaging known for years. A vast number of logs | fine point in the Boston custom and much valuable lumber have been swept site these colonies is the annex of Sweden, showing the government exhibit of away. Several bridges in the Connecticut valley, Vermont, have been carried off by the field pieces, military equipments, etc. Next to this is little Denmark, which overflow, and many more are in imminent has a very solid triumphal arch of pyramidal outlines.

Neighboring Denmark is Egypt, washouts..... Oxford College will not send a has a very solid triumphal arch of pyra-

so substituted shall be destroyed and held as part of the sinking fund, as provided in the act of April 17, 1876. Rejected—yeas, 135;

A Look Through the Main Exhibition Hullding in Philadelphia.—The Foreign Nations, the Positions they Occupy and the Display they Make.—A Miniature Guidebook.

Entering at the central doors of the western end of the Main Exhibition building the visitors take before them the coup d'wil of the whole building in all its stupendous length, and with all its confusing magnificence of costly, rare, and lovely objects. On the left hand Italy has its location, and the display of fine arts is excellent. The carved work exhibited attracts visitors from all sections.

The Argentine republic and Chili are

dragonish triumphal arch painted in colors which to European and American eyes seem odious. Behind is another of the same kind, but much smaller.

In the rear of China is Japan. The exhibitors and attendants from Japan afford a strange contrast to those of China, for the former are dressed like.

The West Virginia Republicans passed a resolution in favor of Mr. Blaine for the Presidence in the same kind, but much smaller.

The West Virginia Republicans passed a resolution in favor of Mr. Blaine for the Presidence and beating for the former are dressed like and in Fadiant the four pears of two miles and an eighth, in 3.45½—making the best time on record for the distance, and beating for it is larger than a big rat. It is covered to the former are dressed like and the four pears of Mr. Blaine for the Presidence and beating for it is larger than a big rat. It is covered to the former are dressed like and in Fadiant the four pears of two miles and an eighth, in 3.45½—making the best time on record for the distance, and beating for it is larger than a big rat. It is covered to the four pears of the mind at the bottom of the ocean. It should not be called a mouse, for it is larger than a big rat. It is covered to the four pears of the four pears of the four pears of two miles and an eighth, in 3.45½—making the best time on record for the distance, and beating for it is larger than a big rat. It is covered to the four pears of the four pears of two miles and an eighth, in 3.45½—making the best time in the mud at the bottom of the ocean. It should not be called a mouse, for it is larger than a big rat. It is covered to the four pears of the four pears of the four pears of the four pears of two miles and an eighth, in 3.45½—making the best with all colors of two miles and an eighth, in 3.45½—making two miles and an eig

At our request Cragin & Co., of Phil Turkey may rise in a body and massacre the Christians.... The Prince of Wales was received in England with enthusiasm on his return from India.... From April 16th to Apri

ere a coin check for one cent was sued. It is directed to the assistan surer of the United States, and bes the signatures of the collector and deputy collector.

Meighboring Denmark is Egypt, whose archway is a feeble attempt to imitate Karnak, which can scarcely be considered a happy thought.

Next comes Spain, whose quarters stand out distinctly from the surroundings with a grand and gloomy magnificance. The triple arching of the triumphal gateway is in imitation of pink granite with bronze facings and ornamentation. Over the three entrance ways are hangings of crimson and yellow silk, and from the central one depends a candelabrum of exquisite beauty.

Next to Spain, still on the same side, comes the vacant space of Russia.

Now, on the left side of the nave, opposite to Spain and the absent Russia, and the absent Russia.

The children in a boat were swept over the rapids and drowned in the river Sault au Recollet, Canada.... The cholera is raging fearging fearging in Mandalay among great numbers of the fair to prior the fair of the nave, opposite to Spain and the absent Russia, and from the central one depends a candelabrum of exquisite beauty.

Next to Spain, still on the same side, comes the vacant space of Russia.

You have been to discovered in her many good qualities, and a titributed her feelings more to physical firmities than to moral obliquity. The passing the fastest time by one second ever recorded.

Three children in a boat were swept over the rapids and drowned in the river Sault au Recollet, Canada.... The cholera is raging fearging fearging fearging the factor of the same subject have a definition of the same subject have a definition of the same subject have a description of the triumphal gateway is in imitation of pink granite with bronze facings and ornamentation. Over the three entrance ways are hangings of crimson and yellow silk, and from the central one depends a candelabrum of exquisite beauty.

Next to Spain, still on the same side, comes the vacant space of Russia.

Three children in a boat were swept over the rapids and drowned in the river Sault au Recollett of which women are subject have a tendency to render them irritable, per cross of reposite to Spain and the absent Russia.

Now, on the left side of the nave, opposite to Spain and the absent Russia, is the magnificent display of Canada—a display good, full, and hearty. Canada presents along the line of the nave case after case containing superb furs, neat ferminine chausseures, chimney pieces in dazzling white Vermont marble, and marbleized slate; steam gauges and brass goods for plumbers and engineers, more furs, and still more furs, until one reaches the great Doulton trophy of terra cotta and Doulton ware.

Beyond this trophy, on the left hand side, comes another colony of England. India, whose first case is a small flat one, contains Delhi gold jewelry, ware, and gems. Behind, upon the north wall of the building, India hangs enormous carpets of those rich neutral colors which are so famous, making a splendid though distant background to her displayed kincobs and embroidered famous looms.

On the right hand of the nave, opposite to findia, is Austria, whose first display is no enormous counter of plate glass, upon which are arranged the most lovely objects of every possible kind in Bohemian crystal. On one side of the south contents and blocked of the service of the service of the courty has called for military aid. It is east in grangement, resulting in the killing of site to findia, is Austria, whose first displayed kincobs and embroidered famous looms.
