avoided which often seriously perplexes the plowman, and causes him to lose much time which may thus be saved. Farm Notes.

The omission to furnish fowls with suitable drinking water is one of the vorst features of cruelty to animals.

"So Mrs. Carter, of Ciapham, knows good home market.

Probably a majority of the orchards of Illinois were so much injured by the adverse conditions of 1870 to 1873 that the law was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that he was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the charge of the judge, but that he law was correctly stated in the sum of the sum of the sum of the sum of the judge of the sum of the judge of the sum of the sum of the judge of the sum of the judge of the sum of the sum of the judge of the sum of the sum of the judge of the sum of the sum of the judge of the sum of the judge of the sum of the ju

MABEL MOORE'S STRATAGEM.

It was almost like a bit of Persian Mabel Mcore herself looked not unlike a Persian enchantress, as she stood the leaning one hand on a marble vase, with the gold of the acacia plumes hardly brighter than her hair, and a quiver in the heavy white lids that hid her deep blue eyes. She was tall, and finely formed, with very regular features, cheeks tinged with a faint color, and an unconscious hauteur in the poise of her with momentary redness, ere it sunk

slender throat and shoulders, Mabel Moore was born to be an heiress, and wery gracefully she fulfilled the mission of her sunny life.

How soull be given to be at the mission Beckford, with a little sigh. "That's right, Edith—draw the curtains; now a sort of impatient rapidity. He was a tall, manly fellow, with bright auburn hair, and a face that you were involun-

tarily compelled to respect and like,
"Mabel," he said, almost passionate-"do you know that you are asking

"I cannot go to Australia without "You can, Ernest, and you will."

"But, my darling, only think of it— a year's exile from you."
"Will it be any easier for me to endure, Ernest?" she asked, calmly.
"Sometimes I fancy, Mabel," he resumed, impetuously, "that you don't care for me, else you would never be so willing to let me go."

"Ernest!"
"My dearest, I know I am unjust; destand just what you wish me to do in

on this long, long journey."

Mabel Moore shook her head. "Let us wait and see what time may bring forth," she said, archly. "And now leave me; remember that the ship sails on Saturday. "I can't possibly go in that vessel," said Ernest; "I've many things to do."

"But if you do not on Saturday you will be obliged to wait another fortnight, and your business is so important over 'Yes, I know, but "-"I must get that companion for my
