JEROME SPIGELMYER.

This New York Graphic says of Mr. Blaine: "His shrewdness has been his ruin. He has too much speculation in his eyes. He has outwitted himself, and it is with profound regret that we drop the name of the really able, experienced man, from whom the country expected so much, from the list of possible Presidents."

The question as to the return of Mr. Blaine's letters received by him from Mulligan on the pledge that he would return them had not been decided on Saturday by the committee having the Blaine investigation in charge. Mr. Mulligan having testified that these letters contained nothing in regard to bonds sold the Union Pacific company the committee may possibly not indent upon the production of the letters.

W. H. Miller, Mr. Blaine's biographer, has written a history of the life of Mr. Blaine, and it is a creditable work.

Section six imposes a penalty of ten dollars for killing any wild duck or gosling with a swivel or punt gun or with any gun other than such guns as are retained at the office of Associate Judge, namely, Mr. Wm. H. Miller. Mr. Miller has been a citizen of our county for 53 years and ever a consistent democrat. He is a man of singular reputation, and is respectable farmer, and deserves this recognition at the hands of the party. There may be other good men, but Mr. Blaine, as a man and a citizen is second to no one.

HAINES.

ASSOCIATE JUDGE.

Ed. Reporter.—Among the names mentioned by the above office I hear that of John Rishel, of Potter township. I think there is more fitting for the bench. Mr. Rishel is a man of sobriety, integrity, intelligence and a fitting democrat. He is a man of great worth.

—Constantine, June 4, 1876.—A sad event just painfully affected our association of this government, Abdul Aziz officially announced his retirement.

—The board of directors will re-meet on Friday.

—On last Tuesday evening, Rev. Fisher of this place, received a dispatch which brought him the sad intelligence of the death of his sister, Mrs. Collins, wife of Rev. Collins, Luth. missionary to Mexico, Africa, Rev. Collins and his wife were on their return to this country. Mrs. C. took sick in the ocean, died, and was buried in the Atlantic. We deeply sympathize with Rev. Fisher. In the sad bereavement of a sister whom he highly esteemed and loved, and whose return from a distant land he had awaited with great interest.
