IMPORTANT TO VOTERS.

To secure the right to vote in Pennsylvania, all persons must be assessed two months before the election and have paid a State or county tax within two years.

Foreign born citizens wishing to vote must take out their naturalization papers a month before the election.

Monday, September 5, is the last day for securing naturalization papers.

Thursday, October 5, is the last day for paying taxes on legal title to vote.

The above dates should be carefully remembered and acted on by all voters.

By an oversight we omitted to mention last week that Col. John Nichol, of Gregg, is the democratic nominee for jury commission.

Why some one above three a copy of Hayes' letter into the river and that which killed it.

The Republican has a correspondent at Millheim who signs himself Mollie Maguire. This is very appropriate, because the Mollies did some service to the Republican party last governor's election.

The curious little story told below by a California paper is a bit wonderful that the fact that some men who profess to favor Reform and are fired of Grantism are now in company with the Cameron, Chancellors, Kembles and the whisky ring supporting Hayes.

A strange friendship has sprung up between two very different animals at Mrs. Stratton's.

Every measure of the Session looking to retrenchment, economy, and improvement in the civil service, has originated in the Democratic House.

By keeping the outrage bill slowly grinding, and sending plottings of cavalry hither and thither, it is evidently a part of a general strategy.

The vast influence which can be exerted through the medium of the Post Office, is placed in the hands of man who in 1874 wrote to the editor of a Republican newspaper, to keep prominently before their readers "until after the election," the details of any scene of violence in the South of which they could get information.

"Reform is necessary in the Civil Service," says Governor Tilden. In his famous Letter of Acceptance, and all the people ratify the sentiment.

The Constitutions of twenty-eight of the States recognize the existence of God, says an exchange.

The General Order of Secretary Sherman is worth the careful attention of every American citizen.

Our democratic neighbors over in Clinton on Tuesday, 15, made the following excellent nominations: L. Mackey for congress by acclamation, S. R. Peale for senate, A. J. Quigley for assembly, G. W. Batcher for prothonotary, and James W. Clark for register and recorder.

The democrats of Millifin county have nominated the following excellent ticket: Congress, Hon. Andrew B. Reed, of New York; John B. Selheimer, assembly, Hon. Joseph W. Parker; assembly judges, Dr. S. Belford, Reed Smeal; jury commissioners, James W. Wilson, of the post; Wm. Wilson, of the court; N. J. Houdis.

Gov. Hartranft has appointed John I. Irvin associate Judge, to fill the vacancy caused by the death of Judge York. This is the best selection the governor could have made from the republican ranks.

The radicals are just now trying to make capital out of the subject of the Bible in the schools.

THE INDIAN RING AND THE SENATE.

The Rings rule the Senate now, as they have all along.

Attack a Ring and there will be a prompt revulsion, except the Internal Revenue Ring, is the Indian Ring, Delano and his set grew rich out of it by starving Indians, debauching them with rum and clothing.

It will thus be seen that the average annual reduction has been reduced \$50,000,000.

Under the ratio from 1860 to 1875, the average annual reduction in twenty-four years; under the ratio of the last four years, it will take fifty-six years to pay off the debt.

The Republican party had kept down the expenses, and it is estimated that in 1872, it could have applied \$120,000,000 more toward the payment of the debt.

General Ranning gallantly pushed his measure through, backed by the Democratic House, and proved once more that the Democratic party is the true friend of the soldier.

Can any one point out a single job of swindle the Republicans have done this session?

Jobs and swindles are the life of their party, and they don't intend to commit suicide.

THE HON. JAMES G. BLAINE

There can be no doubt that Mr. Blaine acted with great magnanimity in the matter.

It is not known what caused this removal of the fatal evils of an irredeemable currency.

Even this is not all. It demanded heavier appropriations for next year than have ever been called for before.

It might have further reduced the debt, or it might have resumed specie payments.

WHERE DOES THE MONEY GO TO?

The Public debt on the 1st of July, 1876, was in round numbers \$275,000,000.

On the 1st of July, 1872, it was \$230,000,000; a reduction of \$45,000,000 in six years; an annual average of \$7,500,000.

On the 1st of July, 1876, it may be believed the now thoroughly discredited reports of the Secretary of the Treasury, that the debt had been further reduced to \$100,000,000—a reduction in four years of \$175,000,000; an average of \$43,750,000 a year.

It will thus be seen that the average annual reduction has been reduced \$50,000,000.

Under the ratio from 1860 to 1875, the average annual reduction in twenty-four years; under the ratio of the last four years, it will take fifty-six years to pay off the debt.
