ATER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct discased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed.
