# FARM, GARDEN AND HOUSEHOLD

## Kitchen Garden

Plow or fork up as much of the garden efore the ground freezes as possible, leaving it without harrowing. Gathe up all rubbish and weeds, and burn s Gather that the whole ground will be ready for the plow at any time.

MANURE -This and the following month must be devoted to increasing the stock of manure. Provide absorb-ents for the stable and privy; dry earth is best; if this has not been collected. use leaves, woods earth, dry muck, even coarse marsh hay run through a catting machine. Let the manure from the henhouse be gathered and put in a dry place at least once a month sprinkle dry earth under the roosts weekly.

most northern localities, especially for spinach and sprouts. Do not apply until freezing weather, the object being to prevent sudden changes from heat to

hard, open a furrow in a dry spot, put down two rails five or six inches apart, seeds sown in September can now be set out in cold frames to be kept until weather, the object being to keep the plants dormant. Those with soft or

root crops (except potatoes) in trenches or pits in a dry place from which water will drain off. The trench is opened be taken out at any time. If stored in a root cellar they should be packed in earth to preserve their freshness. If the quantity is small, boxes or barrels may be used, but if large, bins may be

the open ground; make them a foot wide, and as deep as the length of the weather comes, more straw should be added. Small lots may be stored in long narrow boxes, with a few inches of

fall, if needed, it starts very early in the spring. Take up a few roots for fore-

The Battle of Blenheim. It was a summer evening.

Old Kasper's work was done And he before his cottage door Was sitting in the sun. And by him sported on the gree His little grandchild, Wilhelmine.

She saw her brother Peterkin Roll something large and round, That he beside the rivulet, In playing there had found; He came to ask what he had found, That was so large, and smooth, and round. Old Kasper took it from the boy, Who stood expectant by ; And then the old man shook his head, And with a natural sigh,

'Tis some poor fellow's skull, " said he, "Who fell in the great victory.

Mr. Young spoke only his native lan-
