The Reformed Church in the valley is making progress in the right direction, at a late meeting the W. Susquehanna church recommended the building of the Building and Library, which charges an annual rent with charge with its centre at Centre Hall. On Monday last the joint committee of the Aaronsburg charge met to take action on the recommendation of pastor, and by unanimous vote accepted the action recommended.

To facilitate this action Rev. J. G. Shewaker tendered his resignation, but the consistory by a unanimous vote refused to accept it. It is fondly hoped that the other end of the valley will also move at once in this matter and take similar action so that the matter will get into effect by next Saturday evening.

The Building and Library charge is one of the most popular in the country. The pastor, Mr. John C. H. Miller, is a man of great ability, and is well known throughout the State.

The upper end of the valley will in the consumption of this action gain more than any other part of the State, and will have services every Sunday with the benefit of a weekly service also.

The Committee of Finance, having a meeting at the Hotel Adams, on Friday evening, voted to appropriate \$1000 for the construction of a bridge over the Juniata River, at the mouth of the Little Juniata.

The annual meeting of the Central Pennsylvania Society, held at Centre Hall, on Monday evening, was opened with a benediction, and the pastor, Mr. John C. H. Miller, gave a sermon on the subject of "The Christian Life."
