then, once a solder who, almong his other trials and uncertainties, was afflicted with an anuerism caused by the buckle of his knapsack pressing upon the arch of the aorta. It was liable to burst at any shock or any moment. The

or worldly standing of the sufferer, or even his ability to pay the few coins that enabled him (the physician) to exist and practice his calling; in brief, a man who so nearly lived up to the example of the Great Master that it seems strange I am writing of him as a doctor of medicine and not of divinity.

The note was in pencil, characteristically brief and ran thus:

"Here is the man I spoke of. ought to be good material for you."

For a moment I sat, looking from the note to the man, and sounding the note to the man, and sounding the first of the meaning of this mysterious communication. The "good material," however, soon relieved my embarrassment, by putting his hand on his waistness, the fidnitude of the coat, coming toward me, and saying:

"Here is the man I spoke of. One of those dell faced women. You remember, he settled that life insurance policy on her and the children; she might have waited. She didn't. The other day she eloped with some fellow, I don't remember his mane, with the children and the five toward, coming toward me, and saying:

"It was not necessary for me to do so. In a flash I remembered that my medical"
