—From the Tyeon Deceased and  
learn that the stone wall built by Hugh  
Adams, several miles north of  
Cochran, Harlan county, was destroyed  
by fire on Saturday a week. About  
1500 feet of lumber was also destroyed.  
The mill had been burning for several  
weeks, and the fire is believed to have  
been the work of an incendiary.

**LOCAL ITEMS.**  
—STORE ROOM FOR RENT.—The  
undersigned offers the store room, known  
as Hercher's old stand, at Centre Hall,  
for rent. The stand is in a desirable state  
of repair. Possession can be had any

H. KELLY at Centre Hall, Pa.

—Mr. John Blair, of Millheim, has  
a silver quarter dated 1777. He thinks  
of carrying it until next Centennial.  
—A report from Snyder county con-  
cerning the harvest was just received.  
Some was cut with the sickle and  
some with the reaper. The grain is  
now being gathered like hay into the  
barn. Other crops barely paid for  
their raising.

—It is at Boyer's store, Aaronburg,  
where the people of the lower end gather  
their goods.  
—The Millheim bandage Mr. George  
Fowler a marriage bandage, one day last  
week, at his home in the mountains and  
got off with \$12 and a good supper. Mr.  
Fowler is now of your three-cent men, but  
opened and closed.

—On Monday forenoon last Mr. Wm.  
Smetzer, of near this place, while assist-  
ing James McCormick, in hauling in grain  
accidentally fell from the loaded wagon, and  
the front wheel passed over his body.  
Medical aid was at once sent for, and  
the physician reached Mr. McCormick,  
who Smetzer had died from the injuries  
received.

—Miss Slavin, living with Mr. Rose,  
in this place, on last Thursday fell from  
a cherry tree, sustaining a fracture of the  
arm above the wrist.

—Read Mr. Camp's new advertisement,  
all ye where in want of furniture or  
coffins.

—Read the new ad. of Hicks & Bro.,  
great hardware dealers, and who always  
give you the worth of your money.

—Hedders Marble Works at Bellefonte  
cut the most and best of the marble  
because they do the best work. Their  
couches, tombstones, and monuments are  
to be seen in many cemeteries at a distance,  
and their work is equal to any you  
can get in the city and at less cost.

—Potatoes promise a good crop,  
and predict prices down to 25c per bushel.

—The favorite place of Centre county  
housekeepers to get their groceries, is at  
Sachler's they get them fresh, any thing  
they want and at living prices.

—The Journal man is on a trip—Lafayette  
will be high now.

—There might have been a terrible  
accident the other day. A two horse  
team, with men and women in it, started  
down street in Bellefonte, at a fast rate,  
bringing every body out of doors expecting  
to see a big smash, but the team stopped  
right in front of Sachler's grocery, and  
all hands got out safe, and purchased a  
big supply, at about the lowest figures.  
The party only in a hurry to get to  
Sachler's, for fear too many other customers  
would get ahead, and hence drove fast.

—The G. A. R. of Lewisburg, have  
made positive arrangements for a grand  
Railroad Excursion to Spring Mills on  
Thursday, July 28. The rates will be the  
same as the 4th of July excursion.

—Harper's Magazine for August is  
already to hand, and is a welcome visitor,  
brought in excellent matter, and contains  
fine engravings. It will well compensate  
for the time spent in its perusal, and pass  
a leisure hour away pleasantly. It is one  
of the best publications of the day. Terms  
\$4 a year. Published by Harper & Bros.,  
Franklin Square, New York.

—A local editor of a paper in the west-  
ern part of the state spoke of a brave treas-  
urer being the lordliest he had ever seen.  
The "intelligent community" created a  
commotion in the company by setting it  
up "towers."

—Two pounds of black bread and one-  
quarter pound of fresh meat, or bacon in  
lieu thereof, with garlic, salt, and plenty  
of oil, seem to be the daily rations of the  
Czar's soldiers. Occasionally they are  
treated to a sort of roast beef, and the  
Turkish soldiers are wonderfully easy  
men for a commissariat, to satisfy. They  
will fight for weeks on meat or braised In-  
dian corn. If a grocery like that of Sachler  
& Co., were handy to these soldiers  
how lucky they would feel and how  
much better they would fare.

—Mr. Baldwin, General Superintendent  
of the Penn RR., P. & E. Division, with  
other officials, was up to Spring  
Mills, one day last week to inspect the  
new road, and seemed to be satisfied with  
the work.

—THINK OF THIS.—Out of one hun-  
dred bottles of J. C. Williams' Vegetable  
Health Pills sold last year, \$1,000 were  
sent to the purchasers. This is one reason  
that we sell this valuable medicine at  
ninety-nine cents a bottle; and another  
reason is that we desire to attract public  
attention to it wherever it is not generally  
known. For all common diseases, such as  
headache from disordered stomach, con-  
stipation, loss of appetite, indigestion, bil-  
iousness, and a debilitated state of the  
system from impoverished blood, this  
remedy stands without a parallel. Regular  
size and sample bottles for sale by  
F. P. Green, Bellefonte.

—The Union county Harvest Home  
to be held near Lewisburg, Aug. 16, as  
will be seen from the following which we  
extract from the proceedings of a meeting  
of the executive committee, held in Lewis-  
burg, on 14:

This organization then by a hearty  
unanimous vote passed a resolution cordially  
inviting the citizens of the counties of  
Centre, Snyder, Lycoming and Northumber-  
land to participate in this Harvest  
Home Bazaar Picnic on Wednesday, Aug. 16,  
with the hope that they will respond in  
large numbers, and thus show that this  
institution was well received.

A resolution inviting all the hands  
of the county to be present was unanimously  
adopted. A committee on Music was ap-  
pointed, to wit—Messrs A. M. Lavale, S.  
W. Burg, A. S. Burrows, S. B. Weaver—  
whose duty it will be to ascertain at  
what terms the bands in their respective  
neighborhoods can be secured. This in-  
formation to be furnished the Secretary as  
soon as possible.

The Committee on Securing a grove was  
instructed to act as a Committee of Ar-  
rangements.

Motion passed that each member of this  
organization immediately solicit funds for  
pay for speaker, band and other expenses.  
That they do not divide with each other  
in soliciting subscriptions. A committee  
was appointed to select a suitable  
grove. After visiting several spots,  
the committee reported in favor of Col.  
Slifer's grounds, in Kelly township, about  
a mile and a half west from Lewisburg.

We print envelopes as low as \$1 per  
thousand. Send us your envelopes. We  
print letter heads, and stationery as low  
as \$1.25 per 1000, when persons find the  
paper. This is lower than you can get  
elsewhere in the city.

—For Sale.—Now Golden Trench  
Organ, warranted. Will be sold very  
low. Inquire at this office.

—A local editor of a paper in the west-  
ern part of the state spoke of a brave treas-  
urer being the lordliest he had ever seen.  
The "intelligent community" created a  
commotion in the company by setting it  
up "towers."

—Two pounds of black bread and one-  
quarter pound of fresh meat, or bacon in  
lieu thereof, with garlic, salt, and plenty  
of oil, seem to be the daily rations of the  
Czar's soldiers. Occasionally they are  
treated to a sort of roast beef, and the  
Turkish soldiers are wonderfully easy  
men for a commissariat, to satisfy. They  
will fight for weeks on meat or braised In-  
dian corn. If a grocery like that of Sachler  
& Co., were handy to these soldiers  
how lucky they would feel and how  
much better they would fare.

—Mr. Baldwin, General Superintendent  
of the Penn RR., P. & E. Division, with  
other officials, was up to Spring  
Mills, one day last week to inspect the  
new road, and seemed to be satisfied with  
the work.

—THINK OF THIS.—Out of one hun-  
dred bottles of J. C. Williams' Vegetable  
Health Pills sold last year, \$1,000 were  
sent to the purchasers. This is one reason  
that we sell this valuable medicine at  
ninety-nine cents a bottle; and another  
reason is that we desire to attract public  
attention to it wherever it is not generally  
known. For all common diseases, such as  
headache from disordered stomach, con-  
stipation, loss of appetite, indigestion, bil-  
iousness, and a debilitated state of the  
system from impoverished blood, this  
remedy stands without a parallel. Regular  
size and sample bottles for sale by

—The Union county Harvest Home  
to be held near Lewisburg, Aug. 16, as  
will be seen from the following which we  
extract from the proceedings of a meeting  
of the executive committee, held in Lewis-  
burg, on 14:

This organization then by a hearty  
unanimous vote passed a resolution cordially  
inviting the citizens of the counties of  
Centre, Snyder, Lycoming and Northumber-  
land to participate in this Harvest  
Home Bazaar Picnic on Wednesday, Aug. 16,  
with the hope that they will respond in  
large numbers, and thus show that this  
institution was well received.

A resolution inviting all the hands  
of the county to be present was unanimously  
adopted. A committee on Music was ap-  
pointed, to wit—Messrs A. M. Lavale, S.  
W. Burg, A. S. Burrows, S. B. Weaver—  
whose duty it will be to ascertain at  
what terms the bands in their respective  
neighborhoods can be secured. This in-  
formation to be furnished the Secretary as  
soon as possible.

The Committee on Securing a grove was  
instructed to act as a Committee of Ar-  
rangements.

Motion passed that each member of this  
organization immediately solicit funds for  
pay for speaker, band and other expenses.  
That they do not divide with each other  
in soliciting subscriptions. A committee  
was appointed to select a suitable  
grove. After visiting several spots,  
the committee reported in favor of Col.  
Slifer's grounds, in Kelly township, about  
a mile and a half west from Lewisburg.
