St. Petersburg, November 15.—A special dispatch to the Golos, from the Grand Duke Michael's headquarters at Veran Keleh, on Akbaba hill, seven miles south of Kars, says: "Generals Heinman and Tergukassoff's corps are beseiging Erzeroum."

London, Nov. 15.—A Russian official dispatch says the Russians under General Heymann defeated the Turkis at the mount in front of Erzeroum. The Russians lost 80 men, while the Turkish loss was 2,500. The Times Pera correspondent, in a letter, says the Turkish exchequer occasionally comes to a standstill, and it is wonderful how it ever moves on again. Recently an offer of arms was rejected because twenty thousand dollars could not be raised to complete the payment for them.

St. Petersburg, November 8.—An official return places the Russian losses from the commencement of hostilities to the 1st instant at 64,801 men.
