was so short and fat. She was scarcely our years old, and I would not have allowed her in the school if she had been much trouble. She really was a little bunch of goodness and smiles. Her

her. Then, turning to the scholars, I asked each one separately if they had thrown it; every one said "no." Of course I knew some one had told a lie,

o be watched pretty closely. Both ad been taken from the village school o be watched and were boarding near to attend my hool. Edgar on account of ill health Henry, a year younger, our minister's son, was sent here because so much complaint was made of him at the pubic school. He was a good-natured, oright boy, but brim full of mischief, l was very fond of him however.

perienced fishermen when out on a fishing excursion, one lovely August day,

off Sanan Reach, New Jersey. It came

out in the course of a story, which is here given as it was told in the boat.

The fishermen were serious and quiet men, watchful and ready; and I noticed

that they not only used no profane expressions themselves, but appeared to

under the exasperating excitement of losing a fine fish from the hook after

hauling it to the surface. Somewhat

surprised at demeanor I had not been accustomed to in "toilers of the sea,"

I asked them at last if any thing was the matter. They replied, very respectful-

ly, that being religious men, they felt pained by any thing approaching the sin of profanity, and that if I would listen they would tell me the story of their re-

markable deliverance from death, which

"Some ten years ago we were hard

drinkers, swearers, wild surf-men, and

1867, we started at daylight for this very

reef of rocks. With plenty of bait, we looked for four or five hundred-weight of sea-bass, flounders and blackfish. At

first we pulled them up as fast as our

lines touched bottom; then we had not a

single bite. Surprised, we stood up and

looked around, preparatory to changing our ground. To our astonishment the

menced pulling up our anchor, when a savage fish rushed to the bow of the

boat and bit the rope in two. Then we

hoisted sail, but the moment we put the

shark dashed at the boat and seized one of the side planks, and almost shook us out of our seats. Fortunately his teeth-broke off, and away he went with a bleed-

was alive with sharks. We com-

steering oar in the water several sharks find the claw.

Now, as Edgar did not like to study and Henry was full of play, I made up my mind it was one of the two who had. listurbed little Bunch with the spitball said nothing more about it that day. The next I went out at recess, as was often my custom, to have a good time They were having a grand time coast-

Henry did not see me immediate-but Edgar came to me and said, Have a ride with me first, Miss "I shall be happy to, if you told me the truth yesterday," said I, watching

His eyes quickly filled with tears as he answered honestly:
"I did, every word. Please don't

ask me any more?" "No, I prefer every one to speak for themselves. I will ride with you."

Down we went at fine speed. When we reached the top of the hill Henry

was waiting, as I had expected, his face My turn next!" cried he. "I've the best sled of the lot; beats 'em every
