

bolic acid, which lay wrapped in a bunch

A FIRST CLASS BUSINESS of paper, for use in destroying vermin, and thinking it was their whisky bottle, CHANCE.-HARDWARE, TINWARE AND they drank about two oz. of the deadly stuff. The effects were almost instantane-ous. Watson, in his agony went down tairs and drank a large comparison of the law source of stairs and drank a large quantity of water Spruce Creek railroad. Is now a very to quench the terrible burnings of the acid good stand, and will be one of the best stairs and drank a large quantity of water to quench the terrible burnings of the acid in his stomach, and then went to the stable where he was found about 15 minutes af-terwards dead. In going to the bed-cham-ber Rankin was found on the floor and dead too; all this occurred perhaps in less than half an hour's time. A post-mortem examination was held by several of the physicians of Bellefonte, and the terrible effects of the poison the unfortunate men had drank in a mistake were shown upon the stomachs and brains of the corpses. Rankin has a wife and two children in Snowshoe. Watson was s.widower and the father of several children. What an other terrible warning of the fearful con-sequences that result from becoming ad-dicted to strong dink. Was the father of the stomachs and brains of the corpses.
