

FOR THE YOUNG PEOPLE.

Three Small Lads. Three little lads in their childish glee...

The Long and the Short of It. "Tis the curious-est thing!" Along in the early spring...

For scores of years, every single year, this strange old planet had whirled around its axis...

Then the folded her hands and was glad, and the bright earth was glad, because it wanted to rest...

It was an autumn day. Fair upon the hills in the sunlight shone the sheaves of corn...

Police Experience in New York. In 1878, "Mulligan's Hall" was a beautiful saloon in Broome street...

Another article on "Montana," a writer says that probably the true meaning of the words "A wagon train..."

Narcotics and Stimulants. A curious statistic as to the consumption of narcotics in the United States...

The True American Girl. This is what the American Register tells the Parisian: "Your true American girl is a very charming being..."

How the Girl Got the \$12,000. Quite a remarkable case is reported in Leroux county, in the vicinity of French Creek...

A BALLOONIST'S ADVENTURE.

The Perilous Ride as an Excitement. The correspondent of the Baltimore Sun, writing from Paris, says: Here is the last balloon story...

"Well, so much the worse," said the aeronaut, and he turned his head to the alarm you; we have risen high enough, and we shall now descend.

There were some special exhibits of wood from West Virginia, Georgia, Florida and Oregon, and California has sent a redwood tree...

On cases at the points of the star sit vases illustrating the various markets of the United States...

The Palace of the Doges of Venice. We visited the Palace of the Doges, wrote a correspondent from Venice, and found it one of the most interesting historical structures that we have yet visited.

Drinking Ice Water. There is no more doubt that drinking ice water arrests digestion than there is that a refrigerator will arrest putrefaction...

Language of the Glove. The English have improved upon the language of the fan and the handkerchief by devising a very copious vocabulary of the glove...

Conjuring in India. The learned ones of Hindustan repudiate and despise the gross exhibitions of common magic and charlatanism...

Summary of News. Eastern and Middle States. The following persons have been killed by lightning recently: Charles P. Oakes...

The House Presidential Election Investigation. When the committee again examined the report of Mr. Kellogg...

Hydrophobia, or R fright! We clip the following from a recent Paris letter: A frightful death, attended, and prima facie rightly, by hydrophobia...

Western and Southern States. At Oakesburg, Ill., Mrs. Spaulding, divorced wife of Martin Spaulding, was killed by lightning...

Colle-Proof Cucumbers. Ellison has given to the world several valuable and interesting recipes...

THE PARIS EXPOSITION.

The American Agricultural Exhibit. A Delectable Account of It. In the "sun-dial" which our machinery for farm labor and our farm products were compelled to take refuge...

There is no more doubt that drinking ice water arrests digestion than there is that a refrigerator will arrest putrefaction...

Language of the Glove. The English have improved upon the language of the fan and the handkerchief by devising a very copious vocabulary of the glove...
