DR. P. S. FISHER'S ASSEMBLY.

The gentleman who has been named for this office we understand is a candidate for the Legislature. The Doctor is popular everywhere and has done much service for his party and deserves to be honored with the nomination. He has the interests of the working class and farming community at heart, and if elected will use his best efforts to reduce the extortionate taxes with which this class of people are burdened. Centre county needs the services of men like Dr. Fisher, and the approbation of his name on the ticket would be hailed with delight, not only by democrats but by the working classes throughout the county. The Doctor's prospects are very flattering.
