HENRY P. ROSS, of Montgomery Co.

JOHN FERTIG, of Crawford Co.

J. SIMPSON AFRICA, of Huntingdon.

Treasurer—Adam Yearick, Marion.
Postoffice—J. C. Harper, Bellefonte.
Commissioners—George Swab, Harris; Jacob Dankle, Walker.

Clerk—C. Cambridge, Unionville.

—VOTE FOR C. A. MAYER, THE PURE AND UPRIGHT JUDGE, TRUE AND TRIED. It is not safe to change Judges when you have a good one.

It is said that the Tribune is about to print a denial that it ever published any other despatches.

CAMERON OR REFORM.
Tax-payers are tired of Cameron rule—then show it on Tuesday by voting for Dill, Wallace and Africa who will bring you reform.

If you unwilling that the Cameron shall control this district then turn out next Tuesday and vote for Curtin and Alexander, whom the Cameron gang is trying to defeat. Likewise vote for Murray and Gephart, so that they do not get a vote from Centre to elect him to the Senate.

Would-be Judge McCormick's attacks upon Judge Mayer act like a kicking stone—every eye recoils upon him. He is not making votes, but is disgracing men who had a good opinion of him, only to see that they did not think him the proper person for Judge, especially when one so able as Judge Mayer is brought forward for re-election.

After Tuesday next McCormick will be glad to crawl into his hole and pull the hole in after him. Like the ground-hog he will stay at his own shadow and the poor fact be made as an independent candidate.

Mr. Gephart, one of our nominees for Assembly, and chairman of the Dem. Co. Committee, is managing an active campaign against the Wilsons. He is now directed against Mr. Gephart, in order to defeat him and secure one vote at least from the county for Cameron in the legislature. It has been ascertained that Cameron has the aid of a few pretended democrats, bribed to work for the defeat of Curtin and our legislative nominees, especially Mr. Gephart. Democrats will understand the importance of electing both our members Gephart and Murray, and the entire ticket. While Mr. Gephart is giving his attention to his duties as Chairman the rank and file must be all the more vigilant and see that his vote is a big one. He is doing that service to the party in his present position, and deserves to have one of the largest majorities for it.

Greenbackers are you ready to be sold out to Don Cameron? Chairman Quay says that "You will be all right after the election." And have you not reason to believe that this is so? The never before known party unit will about a month before he was named for Congress, never voted your ticket in his life and we doubt whether he will vote for Mason even now. At heart he is a Hoyt man, and after the election you will find this out, if not sooner. Beware of any man who is supported by the Cameron—his enmity is preferable to the friendship! Beware those who would betray you and vote for Curtin!

—NEXT TUESDAY, DEMOCRATS, DO YOUR DUTY. DON'T SCRATCH SINGLE NAME ON THE TICKET. CAMERON'S MONEY IS WORKING IN THIS COUNTY TO DEFEAT US. DEMOCRATS, NEXT TUESDAY YOU CAN TEACH THESE CHIEFS OF THE PLUNDERERS A LESSON IF YOU WILL.

Charley McCormick, who is an independent candidate for president judge after having promised to abide by the decision of the democratic convention (but didn't) is not gaining himself any credit at all by his attacks upon Judge Mayer. He will not gain a single vote, and the only tendency his warfare will have, will be to lessen him in the estimation of many who were his friends. The people know Judge Mayer too well to be misled by McCormick's newspaper articles. They have watched Judge Mayer's course upon the bench for ten years, and have come to the conclusion that he has worn the judicial ermine unsullied in all that time, and that so long as he remains upon the bench his rights and property, as well as his lives are in safe hands. It does not become one who seeks a place upon the bench, to pursue the course that Mr. McCormick is taking and trading "credits" with the party, for a day's labor, "subject to the pleasure of the party," and to have his name put in for a place. The people will give their disapproval next week.

—FARMERS, TAX PAYERS, AND WORKING MEN, REMEMBER WHEN YOU VOTE NEXT TUESDAY THAT ADAM YEARICK IS ONE OF YOU, OF GOOD CHARACTER AND COMPETENT FOR TREASURER. VOTE FOR A GOOD MAN OUT OF YOUR OWN CLASS.

Democrats, vote the whole State, District and County ticket! Every man who is a good democrat and all are in "just a good democrat in this country." Beware of boasters, who would ask you to do the same thing which your unfinishing enemy, Cameron demands.

Let no democrat scratch the legislative ticket. Cameron is trying to steal a vote for U. S. Senate from this county.

Cameron's agents in this county are becoming desperate. See them wiggle and squirm.

—WE REPEAT FOR THE LAST TIME, NO GOOD DEMOCRAT WILL SCRATCH JOHN SPANGLER NEXT TUESDAY. HE HAS ALWAYS BEEN A HARDWORKING DEMOCRAT. WE WOULD HAVE HIM VOTE. VOTE FOR SPANGLER, ALL.

Set down Curtin's majority in Centre at 1800.

DEMOCRATS YOUR DUTY.
Democrats of Centre, remember next Tuesday is the election day, one of the most important since the close of the war. If every democrat does his duty on next Tuesday victory is assured and our party march on to certain victory at the presidential election in 1880. We now have both houses of the next congress, will we have the next president? This your action on next Tuesday will determine.

Go and vote—vote the entire ticket from Dill on down.

We never had a better state of the purest and best men in Africa, who have records that they are proud of.

Our district ticket Mayer, Curtin and Alexander, is one of the ablest ever placed in nomination in the district.

Our ticket is composed of excellent men, true and tried democrats to whom we owe our warmest support. Yearick, Murray, Spangler, Dankle, Tobias, Williams, Jamison and Cambridge are all fit for the positions for which they are in nomination, and deserving men.

What Democrat will falter in his duty?

GREENBACKERS BEWARE! Don Cameron is trying to use your organization to his own ends. He is in favor of Granley and Youm, because they are his men and will do his bidding. Assert then, your independence and vote against those of your own man who have joined your ranks merely for the sake of office, and to hand you over to your arch-enemy.

Cameron-Democrats, Cameron-Greenbackers and Cameron-Republicans are all united in their opposition to Curtin! Let there be a united people against this corrupt combination. Whoever Cameron opposes all good citizens will be justified in supporting.

ADMITTS IT.
Don Cameron boasted the other day that he was not afraid of the greenbackers, he'll get them all right.

Just so, he'll buy 'em up, to make him his caucus nominee, and the Bellefonte Herald cautions that "Granley will vote for the caucus nominee" which will be Cameron.

Gephart and Murray are the only anti-Cameron men running for Assembly in this county. Vote for them.

If Big Sandy drafts could not be collected, because they were against public policy, can promissory votes given for the defeat of Curtin be collected?

The clerks in the office of the "Cameron Aid Society," Bellefonte, are very active and industrious, but they are not accomplishing much.

SETTLED IT SHORT.
A voter, the other day asked another sovereign whether he'd vote for McCormick for Judge. Why no, was the reply, I can't; he lied, said he'd submit to the decision of the party, and yet he don't. A man that lies shouldn't vote at all. Why, yes, said the other, I never thought of that, I guess I can't vote for him either.

REPUBLICAN EXTRAVAGANCE.
Next Tuesday you say by your vote whether you favor waste, and extravagance in the state and national administrations. The record shows that republican rule has cost the taxpayers hundreds of millions more than democratic rule.

Take the figures of the democratic congress and compare it with you, Vote for Curtin then and defeat Cameron!

Governor Curtin on the Store Order System.
"It has come to my knowledge that in some parts of the State a system exists of paying the wages of workmen and laborers, not in money but in orders on store keepers for merchandise and other articles. This system, by preventing all competition, leaves the men to the uncontrolled discretion of the store-keepers. It is a system most unwise and unjust, and it affects classes of useful citizens, who as they live by the proceeds of their daily labor, have no adequate means to resist it. I have no doubt that most of the difficulties which occasionally occur between employers and their workmen are due to the prevalence of this system. That every man, for a day's labor, should receive a fair day's wages, and that the dictate of common honesty; and while it would be most unwise for the State to interfere at all with the rate of wages, it is in my judgment incumbent on her to protect her laboring population by requiring that whatever may be the wages stipulated, they shall be so paid that the recipient may purchase necessities for himself and his family, where they can be had best and cheapest. I do most earnestly recommend this subject to the Legislature for prompt and effectual action."—Gov. Curtin's Annual Message of 1862.

The Lewistown Democrat puts Curtin's majority in Millifin at 350.

In 1876 Meek advocated the nomination of Curtin by the democrats for Vice President; and asserted that he knew Curtin was as good a democrat as there was in the country. Why does he not now support him for Congress?

In 1857 Cameron found in the Democratic party in Lebo, Wagner and Manter. In 1863 he found Boyer and in 1878 Meek.

CURTIN OR YOUUM?
Voters of Centre can there be any question for whom you should cast your ballot in such a contest. On the one hand you have a man who has always lived upon you, grown up with you, of undoubted ability and integrity, and who has in the past reflected honor and credit upon you, and will again in the future—who has always acted upon the principle and would seek to do so, that would bring reproach either upon himself or his constituents, on the other, and who is a comparative stranger in your midst, a carpet-bagger as it were who has always heretofore been identified with the Republican party and has cast every ballot he ever voted for its candidates, and who apparently only joined the Nationals for the purpose of investigation for the purpose of the one hand, seeking office.

Who has a man who has always been opposed to and waged war with the Cameron dynasty, and in order to compass whose defeat that family will leave no stone unturned; on the other, you have a man who has always been in hearty accord with that family, and who is to-day supported and bolstered up by Cameron's lieutenants and Cameron's friends. This is the question you must decide. And yet there are democrats who would urge you to join hands with Cameron and oppose Curtin! The very suggestion is so booter with scorn. Never was there a better opportunity presented for passing a direct judgment upon the house of Cameron, the bane and disgrace of our Commonwealth, and we hope and know that the democrats of the district will speak in such thunder tones as will strike terror into the heart of Cameron and his democratic supporters and sympathizers. He that is not for us in this contest is against us. And to what respect, we would like to know, is a Cameron Democrat entitled? None whatever! Up then and at them!

—VOTE FOR CAL HARPER NEXT TUESDAY, FOR PROTHONOTARY, BECAUSE HE IS A WORTHY YOUNG MAN AND ALL THE BETTER BECAUSE SUCH A MAN SHOULD BE SAID OF HIM. YOUNG MEN IN PARTICULAR SHOULD STAND BY HIM.

DILL, WALLACE, AND AFRICA AGAINST HOYT, CAMERON, AND MEAK.
Democrat can you hesitate for a moment whether to vote for Curtin, the regular democratic nominee, supported by Dill, Wallace and Africa, or for the poll on Tuesday, who are the only anti-Cameron men running for Assembly in this county. Vote for them.

If Big Sandy drafts could not be collected, because they were against public policy, can promissory votes given for the defeat of Curtin be collected?

ABSURD.
It is absurd for a democrat to refuse to vote for Curtin on the ground that he is not a democrat. What is Youm who thus gets democratic help? Why Youm is not now, and never was a democrat and if you don't vote for Curtin you thus count one for Youm. How do you like that?

But Curtin is a democrat, and has been a democrat for six years, in which time he has proven it by every action and word of his.

What has Curtin done in these six years that would leave any democrat to doubt his democracy?

Answer that if you can.

And are you willing to help an out and out radical like Youm by refusing to vote for Curtin! What an absurd position.

—REMEMBER THAT GEPHART AND MURRAY ARE THE ONLY CANDIDATES FOR ASSEMBLY IN THIS COUNTY WHOM YOU CAN RELY UPON AS BEING OPPOSED TO CAMERON. VOTE FOR THESE MEN NEXT TUESDAY. IT IS A VOTE AGAINST CAMERON'S GANG IN THE COUNTRY.

DESPERATION OF THE WINNEBAGOES.
We never, in all the history of Pennsylvania, knew such a desperate effort to defeat the democracy, as is now being made by the Cameron's.

Are you a democrat, reader of the Reporter, then do your duty on next Tuesday to your party now that you are threatened by your most corrupt enemy.

There are many honest republicans who hate the Cameron gang as much as do honest democrats, to whom we appeal to throw off the yoke under which they have so long smarted to the disgrace of their party and country, and defeat the Cameron gang by voting for Curtin and the democratic ticket.

Honest men, next Tuesday is the day to show the world that you are for reform and honest government. The issue is between honesty and dishonesty. On which side will you stand?

Democrat of Centre, do not forget that this is the election upon which the Democrats can gain an appropriation. If your vote is not out you lose delegates; if your vote is full you gain delegates. Mind this, and come to the polls on Tuesday.

The Watchman makes some one else's list for the Reporter. Mistaken reporter, we bet a cent there is no list missing from your shanty, if you have been a hugging with the Cameron as much of late that they stole your list and may have your list too. But if your list had really been cabaged for the Reporter, would you admit, reporter, that very good use has been made of it, in putting out good healthy "reading" for the fact is, when our neighbor heard that the democratic committee were having a list of democratic names made out, he raised a cry. "The list has been stolen," he said, "and all the names on it are not on the Reporter's office, and know nothing about any having been found or stolen."

If we were placed upon the witness stand about the Watchman's stolen list, we would know as much as the Tilden does about the cipher dispatches. But by way of dismissal of this matter, in which gray paper desires to mix in, we have only to say this. Don't you remember, Gray, some 6 or 8 years ago, in Spangler's hotel, you offered \$25 to any one that would steal certain papers from the Reporter's office?

"Who steals my purse steals trash." Who steals my list purveys trash."

When half-dozen of the most distinguished democratic ex-governors, can endorse Gov. Curtin for congress and pronounce it, it is queer that one who had an idea of once being an ex-governor too, can't swallow Andy.

A GRAND RALLY AT PHILIPSBURG.
The democratic meeting at Philipsburg, on last Saturday, was one of the largest held in the state during this campaign, and a grand rally of the democracy of Centre, Clearfield and Clinton. Four ex-governors, Hendricks, of Indiana, Walker, of Virginia, and Bigler, and Curtin of this state, were present; also Mr. Africa our nominee for Sec'y of Int Affairs.

In glancing over the Congressional Record I was particularly struck with the case of Mr. Miller, who was a member of the House of Representatives in the 44th Congress, and who was elected to the 45th Congress, and who was elected to the 46th Congress, and who was elected to the 47th Congress, and who was elected to the 48th Congress, and who was elected to the 49th Congress, and who was elected to
