

BIJAH'S ELIXIR.

The Old Man's Recipe for Taming a Small Woman and boy slowly approach the station.

They were mother and son. The boy looked serious and the mother was doing a great deal of talking.

"Where's that stuffed bird?" demanded the boy, as he looked around.

"My son, the way of the transgressor is hard, no matter how good the spelling-book says so or not."

"Where's that stuffed bird?" demanded the boy, as he looked around.

"My son, the way of the transgressor is hard, no matter how good the spelling-book says so or not."

"Where's that stuffed bird?" demanded the boy, as he looked around.

TIMELY TOPICS.

The recent inundations of the Nile destroyed 250 human beings and \$2,500,000 in property.

Last year bankrupt liabilities in England amounted to \$20,000,000; in Australia \$20,000,000.

The garments belonging to the Moors who die from cholera in Morocco, instead of being buried, are sold by auction in the public market.

While the funeral cortege of a respected Milwaukee citizen, Dr. Metcalf, passed, it was noted that a bull, which had been in the habit of throwing its horns at the casket, was removed from the scene.

The miners and the farmers in California have begun a course of mutual grudge. The mining operations in several counties have ruined great areas of farming land.

Hundreds of thousands of peasants in Italy are without work, and those who are employed are glad to labor twelve hours for fifteen cents and are obliged to eat the refuse of the mill.

Great droughts like that which has raged over India and China are not infrequently followed by pestilence and famine.

James Hill entered the "Prisco" swimming tournament for "the longest swim under water." He swam for fifteen minutes and was then pulled out by a tug.

The wonderfully joined twin babies, born to St. Benoit, Canada, who were exhibited in New York, have been carefully examined in Philadelphia by Professor Hancock.

The Toronto Mail of a recent date relates an incident which befell Mr. John O. Howard while duck-shooting on the St. Clair delta.

The Congressional labor committee held a session in San Francisco, in discussion with some of the labor leaders and local officials of the coal regions.

In 1870 a man dressed in the uniform of a police officer went into the Kensington bank in Philadelphia and stole \$100,000.

The late Mrs. Wallace, who lived in a cottage on the edge of the city, was killed by a bullet which struck her in the chest.

How a Hunter's Coolness Saved His Life. Ned Wallace, of Johns Maria, killed a cougar the other day that measured eight feet in length.

When the mother came softly in, a look of maternal anxiety on her countenance, Bijah was passing a darling-niece through with pink twine through a ball into the hair of a skull-cap.

Facts for Kerosene Burners. Every lamp filled with the fluid is liable to explode after burning several hours.

Country Girls and City Girls. Referring to a discussion which has been going on between two young ladies of Reading and Lancaster, Pa.
