ing. But he was ambitious in his de-He became a thief, and suffered various terms of imprisonment, confining his operations as "a Sheffield blade" love. chiefly to his own district. Once he was sentenced to as long a term as five years' penal servitude, during which time he plan will be a striped satin collar that extends down each side of the front to the end of the basque, as if outlining a vest. Large long-looped bows that form a july down each side will be a striped satin collar that extends down each side of the front to the future; for during a number of years he has succeeded in living a luxurious, if not a quiet life, as the results from a july to party down each side will be a striped satin collar that the wanted to know, then, just "how papers are put together." He hesitated. The longer he hesitated the more impatient she grew, and the probably elaborated his plans in regard to the future; for during a number of years he has succeeded in living a luxurious, if not a quiet life, as the results from the large put together." vest. Large long-looped bows that form a jabot partly down each side will be made of striped satin and used on which, now that he is in his last fetters, which, now that he is in his last fetters, When the back drapery is he is not averse to talking about. When not sufficiently boutfant, a width of the trimming material will be added on one side, or else in the middle, and bunched up irregularly. A great deal of length—

be is not averse to talking about. When he was last restored to liberty, he did not confine his attentions to Sheffield. He lived in various places, though mostly in the midlands. He matried, copy is sent to the composing room " wise trimming will be used on the fron and sides of overskirts. A curtain over-being careful that they should attend the strength of the curtain over-being careful that they should attend the curtain over-being careful that the

which is shown its whole length—is of amused himself by carving in wood, and always carved images of saints. striped moire.

Spring Wraps. — Dressy wraps for spring will be mantles of Chuddah or of plain camel's-hair trimmed with rich towns, Peace was captured one night, at Blackheath, by an officer, "ho was a blackheath, by an officer, "ho fringes. Black mantles will be most used, though light drab or beige-colored wraps will be considered more dressy.

The shapes are very similar to those of last season, with the back fitted by three seams and clinging ridge that that seams, and clinging sides that drape the arm, and are finished in square where the arm, and are finished in square where the same and are finished in square where the same are the same and are the square with walnut-Hungarian fashion, instead of dreoping in pointed wings like dolmans. These John Ward was locked up as John Ward; but presently there came to the police the information that John Ward was no other than Charles Peace, for whose apprehension a reward of \$500 had bee offered, in connection with the murder of one Dyson in 1876. While living near Sheffield in the character of a gentleman of leisure, Peace persecuted Mrs. Dyson with his attentions, following her spring sacques and for cool mornings out of town. Stitched edges and showy buttons will be the only trimmings for the cool to be the Gray tweeds and twilled cloths night Mr. Dyson was shot by the fellow falling dead at his wife's feet. Peace fled For traveling and steamer cloaks and cluded capture for a long time. He single-breasted ulsters are shown in the continually changed his residence, as-English homespun cloths that are loose-ly woven in small checks of yellow-narrow escapes, but always managed to

brown shades and in heather grays.

The belt for these is confined to the back, and is very wide. Circular wraps of light-gray cloth, black, brown and into the very headquarters of the Lonnavy blue, are also shown for traveling. don police in order to escape the scruting are made with long pointed hood, and have a showy clasp of oxidized silnized the burglar, but became satisfied it must be a case of mistaken identity At the time of his arrest for burglary, When maidens are "doing their hair," an important element of daily duty in many a household, they may perhaps be gratified in learning that

by rail to Sheffleld. When the train arrived within thirteen miles of Sheffield, at it?" time really noticed) how they drew the a lonely and wooded spot, which Peace time really noticed) how they drew the long tresses between their fingers, alternately with drawing the comb through them. The thought struck him that if he could successfully imight the could successfully imight. ton, and drive back the shorter by reversing the action of the comb, his long-sought object would be pretty nearly attained. Armed with this new idea, he set to work with renewed cheerfulness, and invented a beautiful machine, which enabled him to comb cheap cotton into moderately-fine yarn, more easily and with less waste than by any process until them known.

and valleys and stone-pits, in which a hunted man might have given his pursuers a good deal of trouble. Peace asked for the window to be let down, the sash being simply an opening in the would find it difficult to squeeze. The moment the window was opened, the train traveling at nearly fifty miles an hour, Peace took a flying harlequin-leap, head foremost, out of it. One of and valleys and stone-pits, in which a hunted man might have given his purhunted man might have given his purhunted to the printers and the correctured to the printers and the corrections.

An Ottawa correspondent writes: "A out ov this world unless yn ask for it, large wapiti (elk), weighing about 800 and yu aint a going to git mutch enny-pounds, was killed by an Indian named how; unless you insist upon it. Yours Baptiste Cimon, on the headwaters of the Mississippi river, in this province, on the 14th of December last. This was These French painters have a grim and peculiar idea of a joke. Not long since one of them gave a dinner-party, and had a stuffed mouse concealed in the napkin of each lady guest. When the single specimen has been seen on this s napkins were opened there was a uniside of Manitoba and Saskatchewan. Wagner, and if those stuffed mice had been really in the flesh they would have heartily enjoyed the gymnastics of those lighest point. It is to be stuffed and placed in the government museum." placed in the government museum."

CONGRESSIONAL SUMMARY.

Nenate.

The bill to amend certain provisions of the revised statutes relating to the transportation of animals was passed. It provides that animals shall not be kept in ears more than fortylive hours at one time: that they be properly fed and watered, and that the secretary of the treasury appoint an agent at Portland, Me., Boston, New York, Philadelphia, Baltimore Norfolk, New Orleans and Galveston, to inspect all live animals designed for exportation, and certify as to their healthy condition. Adjourned.

A communication was received from the secretary of the treasury in regard to the exportation of catile, and suggesting legislation to prevent the shipment of diseased animals....Hon, Zachariah Chandler, the newly-elect.
