found, might be still alive and with the Indians. Away down in Maine this ray of hope fell upon the heart of a young lady who is in reality, but not in name, this trank was cried he anxiously fundance. The widows of the fatal deals of the struck was cried he anxiously fundance. The widows of the fatal deals of the struck was cried he anxiously fundance. lady who is in reality, but not in name, one of the widows of the fatal dash for vindication. There was more in the vindication. There was more in the ten cents, with which he started the dren of Daniel Martin, a colored man, were burned to death. colonel's words to her than he intended. For the fifteenth time she wrote to Bismarck, Dakots, pilifully inquiring if yelled the crowd, and he did so. The here was any possible hope that Ben-sen's intimation was founded upon fact. Dr. Lord was alive and in Sitting Bull's camp the Canadian mounted police would have found it out long beore this. Major Walsh, who is on the best of terms with the Lostiles, and is contained for a lady. A laborer dently intended for a lady. A laborer great admirer of the dead Custer, and sonal feelings have been heartily enlisted in the vain search. All that he has found has been one horse of the white-borse company. Dr. Lord may be alive, but it is as improbable as Jules erne's eighty-day trip around the world. The lady in Maine, however, has an inalief that he is still alive, and she will yet see him. She reproaches herself for some little thing she did, thinking it sent him off with Custer, and that he was indifferent to the con-

retain his foothold, but bounded and rebounded from the rock like a rubber sickness are kept; old linen rags are invaluable fet such purposes.

News and Notes for Wemen.

The first female candidate for a degree at the University of London was unsuccessful.

The citizens of Columbus, Ohio, Secame terribly alarmed and excited by a concerted attempt to burn the city, no less than seven first deposited with the treasurer of the United States, under the act of Feb. 26, 1879.

Hamin Organs than those of very poor organs, but the quality is a great deal better. It is certainly good economy to obtain the best when there is no more difference in the price.

The Grand Central Hotel, on Broadway, New York, is a big house, and it takes a great many

tints, now dark, now light, flash one gainst the other; lows as they drop strengthen their frames; gry, they feed on air—
at can with their bright colors compete? Aing of them one might pity their languor, as of that of an invalid; licate, they open with constitutions at best autunnal, at say hot that they bloom to no purpose; or did they not by their charms inspire Tao to poetry and convivisility?

Here is one that has been metrically translated. It is called the "Tiny Bill:"

Over green fields and meadows a tiny rill ran (The little precious coquette);
She was protty, she knew, and thus early began
Gayly firting with all that she met.

Her favors on both sides she'd gracefully shower.

Regardless of whom they might be; Regardless of whom they
