

Facing the Heights.

Since the one song that we sing is... But we sing it with a heart...

It may be I was prejudiced... In favor of it from the first...

Our people never had no fuss... And yet they never took to us...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

And I like to see her, her hair... And I like to see her, her hair...

FRED. KURTZ, Editor and Proprietor.

VOLUME XII. CENTRE HALL, CENTRE CO., PA., THURSDAY, OCTOBER 16, 1879. NUMBER 41.

"She shall marry him!" "Oh there is any understanding between them..."

"Such a place as the Berrian farm, up in the Shawangunks..."

"I do not know, Mr. Valentine, but I do know that I am engaged to you..."

"English Professional Beauties." Old-fashioned people marvel much at the appearance of the beauties in the city...

"The Shawangunks." Mr. Slingerland Valentine sits in his spacious arm-chair, his hands resting on the broad arms of the chair...

"I wonder what ever possessed her, to think of marrying me..."

"The fashion of trying charms is now nearly outgrown among English-speaking people..."

"Invention in China." For many centuries the Chinese powers of invention are understood to have been superior to those of any other nation...

"The New York Hospitals." In all there are thirty-one hospitals in the city of New York...
