

THE CENTRE REPORTER.

Centre Hall, Pa., Thurs. Oct. 30, '79.

THE CENTRE REDEEMER. The Low church is rededicated to the service of God on the 26th inst. The day was a bright and beautiful one, opening with a brazen atmosphere and inviting in all its autumnal glory. By the hour of 9 o'clock the church was literally packed with an eager multitude of worshippers. Tomlinson opened the service with an invocation and the reading of a German hymn, after which Rev. Grob offered prayer. Rev. Tomlinson then preached a most excellent and appropriate sermon in German and English, and was followed by Rev. Grob with a sermon in the English language. Both of these discourses were earnest, thoughtful and impressive. We trust the congregation that enjoyed them on that day will never forget the wholesome instruction imparted. During the preaching of these sermons the crowd still came and went, one making place for the other. It must have been considerably annoying to the brethren who preached but we were certainly glad to see them come. Rev. J. K. Miller was appointed the monetary collector for the day, and right handsomely did his part of the programme. It was announced that the congregation wanted \$300 to pay off the debt of the remodeled church, and \$100 for the purchase of a new organ. The collection on next Sunday evening, Nov. 3, then \$1, then collection until the required amount was raised. The responses were indeed prompt and we believe on the whole willing. The service of dedication was presided over by Rev. J. K. Miller and Fischer, pastors of the congregation, and the church was solemnly re-dedicated to Almighty God. To say that this was a delightful service all through but to echo what we heard from scores of people, the church presents a handsome exterior appearance, and does not disappoint one when entering it. It was simply impossible to be comfortable in it previous to this remodeling. Now there is a good service and a cheerful and very agreeable audience chamber up stairs. I think if the old fathers of this church were to come back to the earth they would have difficulty in finding what to them was the Leap church, completely has its aspect been changed. The afternoon was taken up with very interesting services, beginning at 3 o'clock. The character of these services was historic. Rev. J. K. Miller and Fischer read the history of both the organizations, Lutheran and Reformed, from the date of their inception up to the present. No doubt these histories would be of interest to the people generally and they may be published in some form or other. Rev. J. K. Miller was comfortably filled at the service. Rev. Miller and Tomlinson followed the reading of these papers in thoughts awakened by them, making good impressions upon the hearts of the people. Rev. J. A. Koser of Pine Grove Mills preached a very acceptable discourse on Saturday, previous to the dedication, and also filled the pulpit of the Lutheran church in Centre Hall on Sunday night. Bro. Koser may come again. The entire cost of the church was about five hundred dollars. As it now stands it is a grace and credit to the community. That it may continue to be the Mecca of hundreds of spiritual pilgrims for years to come, is the earnest wish of a pastor.
