TIMELY TOPICS:

Montenerro is a unique country in regard to its postal business. Until lately the mails were not sent to any of the cities or villages, but every citizen had to go for his letters to the capitol. Cettinje, There has now been estab-lished a postal department, and the mail is sent from Cettinje to four other cities. The mail carriers travel to these four The mail carriers travel to these four cities on foot three times weekly.

Piece by piece have the relic-hunters carried away the marble slab that once was placed over the tomb of Gen. Dan Morgan in Mt. Hebron Cemetery, in

The hair is generally worn low, whether it is becoming or not.

The Wonders of Colorado.

At a meeting of the San Francisco academy of sciences, Major Powell, of academy of sciences, Major Powell, of the United States geological survey, was called upon for some remarks on his re-

ent explorations and travels through the canyons of Colorado. The lower third of Colorado, the major said, lies but a little above the Attend to the cellars by cleaning and whitewashing them thoroughly before source of the sea, while the upper two-thirds has an elevation of from 4,000 to 8,000 feet. Out of this basin or plateau white washing them theroducity octave the winter supplies are put in. Geraniums that are dug up from the flower bed can be hung up in the cellar on a nail, and start out green in the spring.
