

"The teeth of time" are not false teeth.—Yonkers Gazette.

England imports \$10,000,000 worth of raw annually, chiefly from the United States.

A boy sixteen years of age lately hanged himself at Liverpool because he could not find a home.

The people of the United States own property in the District of Columbia to the amount of about \$85,000,000.

There is a colored woman in Montgomery county, Md., who has been the mother of seven children in sixteen months.

An old opening of the present century into the past is being made by the very population; now they comprise of fifth of our population.

It is a remarkable fact that in the sixteenth century the population of the world was 500,000,000; now there are 1,000,000,000, though there is an influx of 100,000 every year.
