The price of paper has been advanced heavily all over the country. If the price is maintained the public will be compelled to pay more for their news-papers. Many daily and weekly papers have already increased their subscrip-tion price. MR. ALBERT CROOKER, the well-known dru gist and apothecary, of Springvals, Me., alway advises every one troubled with Rheumatism to tr The advance in paper can be stopped if the people will save and sell their old paper and rags. Three months' saving of rags and old paper by the entire popu-lation, and selling them in the markets, would check the advance in paper. Every newspaper in the land should appeal to the people in this matter. And they should also economize in the con-sumption as much as possible. VEGETINE.
