San Francisco, March 14.—Poor Kalloch is surrounded with heavy clouds. He is thought to be a man of good ability and might have been a great aid to the working class. DENNIS KEARNEY IN COURT.

San Francisco, Cal., March 12.—Dennis Kearney was brought before the Police Court this morning. He stated that he desired neither jury nor counsel and that he was ready to answer the charges in the complaint. The police who had directed in one instance against a person not present, and in the other against no one in particular, it being vague and general charges, were not admitted without argument and taken under advisement until Monday.

PRAYING FOR MERCY.

Harrisburg, Pa., March 12, 1880.—A sensation was created here today by the appearance in an afternoon paper of an advertisement stating that ex State Treasurer Kemble and four others awaiting sentence of the Court for corrupt solicitation of members of the Legislature would make application to the Board of Pardons for executive clemency. The notice having been inserted by one of the counsel for the criminals in this city, its genuineness is undisputed. A sentence will not be imposed on the prisoners until the 26th inst., which will not be disposed, in view of it, to reduce the maximum sentence, to three years imprisonment and \$1,000 fine. It looks very much as if the criminals are endeavoring to make a bargain, but such action would be utterly at variance with the previous record of the Board, which has been very honorable. The Board is immensely popular, and in a political sense, the pardon of the men who have a tendency to seriously hurt the prospects of the party. All through the State the people have been rejoicing at the triumph of law over legislative corruption, and the preservation of the integrity of the Legislature. The Board consists of the Lieutenant Governor, Attorney General, Secretary of the Commonwealth and Secretary of Internal Affairs.
