I think, too, that suicide is rather in proportion to other forms of insanity, though I do not think that all suicides are insane. But it is a form of collapse like insanity. Now, there are two forms of collapse due to a cause extremely prevalent to-day. That cause is the enormous influence of the element of chance in the business of to-day—in other words, to gambling in all its forms. The intense attention upon mental combinations, inseparable from gambling in business, is liable to produce insanity. The tension in forming combinations and plans in which one knows that chance is a great factor, and consequently a source of deep anxiety, strikes directly at the brain, and the shock produced by sudden announce, is a proposition bills, the dedicines bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and misseel-haucous appropriations aggregates about \$186,out the dedicine bills and each state in the dedicine bills and each state in the dedicine bills and each sale and each state in the dedicine bills and each sale and each state in the dedicine bills and each sale and each state in the dedicine bills and each sale and each sale and the sale and the sale and the sale and the sal
