Republican voter, do you think it your duty as a good citizen to vote for Gardeld when he has been proven guilty of perjury in the Credit Mobilier scandal?

Can you conscientiously vote for Ciarfield when in the Chicago court he was found guilty, and also before an invistigating committee, of having accepte 1 a bribe of \$5000 in the fraudulent De Ciolyer pavement job, whereby he sold his vote and influence as a congressman to favor an appropriation for the pavement swindle? This was another act of perjury.

some one had to be set up to be knocked down, and caring little about Murray Union soldiers, and Garfield and his re-
