J. ZELLER & SON

United States senstor, is now about for ty-three years of age. He is of com-manding stature and handsome in ap-persance. He first appeared in public life as member of the legislature from Toge county, serving from 1872 to 187 inclusive. During that time he evidenced ability as a statesmanfand led the repub-lican side of the house. In 1877 he was elected to congress from the Twenty-fifth congressional district. On Friday—thank God—ends the first subscut to the basis best stores to be followed by ore that the the met to the state to was only bis anxiety to be the rate was only bis anxiety to be the states, to be followed by ore not that led him to take the the states do be constituted a binner to be followed by ore not that led him to take the the states do be constituted a binner to a British order in the legislation of the states do found excepting in a very burn-states do be followed by ore not that led him to take the the states do found excepting in a very burn-states do be followed by ore not that led him to take the the states do found excepting in a very burn-states to be followed by ore not that led him to take the the states do found excepting in a very burn-states to be followed by ore not that led him to take the the states do found excepting in a very burn-states to be followed by ore not that led him to take the the states do found excepting in a very burn-states to be followed by ore not that led him to take the the states do found excepting in a very burn-states to be followed by ore not that led him to take the the states do found excepting in a very burn-spice, by the proprioticors, non the trains that the do that the state that the state the state dame were seen issuing from the states do be condition.
