

The Centre Reporter. FRED KURTE EDITOR.

CENTRE dall, PA., April 7, 1881

At the New York Medical College for women, 28 young women graduated in medicine. One of them was a Brazilian woman educated by the Emperor Dom

House in force to demand their "rights" -meaning the offices.

The losses by fire in the United State during the year 1880, aggregate \$79,838, \$406,269,700, or an average of \$81, 253,940 a year. This is at the rate of nearly \$225,-000 for every day in the year.

All through the New England states there is a reduction of wages going ou That's queer in that unflinching republican section, in the face of the thousand pledges last summer that Garfield's election would bring higher wages.

Mahone, the rebel brigadier and deb repudiator, said in the senate, a few days ago that he never apologized and had no apology to offer, for having fought in the tation to contrbute mite to their coffers, rebel service," and yet the republicans hug him and make him their leader in the senate. How the radicals do hate of Congress, from that to every man who the unrepentant rebel !

The Republicans are getting tired the filbustering in the senate, and this they will let the democrats keep the organization. The democrats had the fellows there, and repudiator and nonapologizing rebel Mahone couldn't help the rads with his treason
