Leader Horse Rake?

We have them. Call and see.

There is a terrible fatality prevailing among the horses in Harrisburg.

A calf recently dropped at Lewistown, Mifflin county, weighed 175 pounds.

Mrs. Daniel Thomas, of Hollywood, Luzerne county, while shopping in a Hazleton dry goods store on Friday gave birth to four children. They were all born dead.

—Dinges has the biggest stock of goods and at the cheapest price. Don't miss him.

Miss Theresa Anderson, of Baden, Beaver county, has hair eight feet in length.

—Go for Doll & Mingle's new stock of boots and shoes, and you won't regret it.

General Joe Lane, who died on Tuesday night at his home in Roseburg, Oregon, was a candidate for Vice President in 1860 on the Democratic ticket with John C. Breckinridge.

—Dinges does what he advertises to do, and does not wish to be understood as trying to gull the public into buying trash, but sells a first-class lot of goods at very low prices.

A dispatch from Pitkin, Col., reports a strike on Tuesday of fourteen feet of sand carbonates seventy feet deep in the New York mine. The ore assays 107 ounces, and that night miners were out on the hills with lanterns, taking out claims, so great was the excitement.

—Wilson, McFarlane & Co., Humes' block, have an unexcelled assortment of stoves, ranges and heaters, warranted to render satisfaction, and at lowest possible prices.

Reports from the west indicate prospects of unusually short crops of winter wheat. The herds were never in better condition, the weak and worthless stock having died during the severe winter.

The last pay day of miners in Shenandoah gave that town an unusual experience. The Herald says that sleeping drunken men were so thick in one alley that it was impossible to go through without stepping on them.

—Roll up, tumble up, climb up, crawl up, or any other way you can get up or in to the famous Philad. Branch for some of those astonishingly cheap spring suits for men and boys. Go at once, the cheap clothing is going like hot cakes. You save money at the Philad. Branch, and they keep anything that men and boys wear, latest styles and best goods.

The farmers say that with favorable weather the winter crop of wheat will be the largest ever harvested in Kansas. The spring wheat crop appears to be in unfavorable condition. In seventeen counties its condition is fair; in forty-three counties it is poor and but little confidence is felt in regard to it. The aggregate acreage of rye is rather limited, and the reports concerning it as a whole are quite favorable.

—It isn't true that Lewins steals his goods, as some envious persons intimate because he sells so cheap. He gets every stitch honestly and it is honest goods, and he sells so cheap because he wants to sell much, and thus he makes up for it. We know that there is not a more upright business man in the world, and so say all who deal at the Philad. Branch. Lewins don't skin people, not a cent's worth.

A peculiar disease has appeared among the street-car horses in Chicago. It begins with "a swelling just below the fetlock, which, after a little while, festers and becomes a discharging sore" if skillfully treated in the beginning, the disease yields slowly, but if neglected, blood poisoning sets in, followed by death. The malady is attributed by veterinary surgeons to exposure in cold and slush during the long winter just past. Two hundred and seventy-five car-horses were affected yesterday, and the disease was spreading to the stables of express companies and private persons.
