Foreign News.

Mr. Parnell, in an address at Glasgow said the Irish land bill would not provide the slightest protection for small tenants.

Was in the East has probably been averted away under the escort of Cossacks to be ignominously buried in a remote part of the suburbs of the city. With the exception of a ceident to one of the ropes, which broke twice, the proceedings passed off quietly and without difficulty. They were watched if silence by fully one hundred thousand of the civil and military population of the capital.

ing around of a large piece of timber and fell pany, at Montreal, has become a defaulter to the track beneath. Four of the fifteen feet to the track beneath. Four of the sconded to the States. His emberglements have been going on for seven years and were not have remarked the interesting faccovered up by the falsification of the books.

The money was spent on lavish outlay upon his rain the spider shortens very much the spider shortens very muc Miss Harrie Deuell died at Iowa City, Ia., after completing a fast of forty-seven days, during which she took nothing but water. Miss of the plague are terrible, though not extend-

last threads to which his web is su pended, and he leaves it in that cond tion as long as the weather continue variable. If he lengthens the thread sage, and had been an invalid for many years.

Neuralgia and nervous troubles had made her camped in salubrious localities. The towns of continuation of fair weather may be inrain: if, however, he commences to

emits frequent cries.

The woodpecker coos.
The parrot chatters.
The guinea fowl goes to roost.
The goose shows the greatest unrest.
It flaps its wings and cries, throws itself into the water comes and grows and into the water, comes and goes, and makes short flights.

Cucumbers were growing over the side path and hedge, and a great vegetable marrow plant had run all over one end of the roof of the cottage. A few tea-shrubs were in full bloom in the garden. This useful species of camellia is both pleasant to the eye and to the taste. A pair of little bantams pecked about the garden, and one of the tailless cats peculiar to this country basked in the sun, A pretty girl worked away at her loom under the shade of the broad veranda; a cloth round her waist was her sole attire, and was doubtless enough, for the day by this time had become very warm, although the thermometer stood only at about seventy-eight degrees. The elderly lady of this comfortable little home was busy among her bairns were playing with a kitten, and a baby strapped on its tiny sister's back was enjoying itself in profound slumber, notwithstanding the perpetual motion of its nurse. I could not help contrasting this comfortable have contrasting this comfortable, happy-looking laborer's home—by no means

fair weather.

web every twenty-four hours; if the change is made in the evening, a little

and mother leave at the same time, it is Rye-State.

a sign of fair weather.

The peacock, at the approach of rain,

A Japanese Laborer's Cottage. Half a mile up the valley, writes a correspondent from Japan, I passed a cottage standing near the pathway. The little garden in front was a mass of flow-

ers, among which there was a large plant of the oleander in full bloom and

a perfect hedge of the big jessamine which scented the whole atmosphere
