Homeliest Man in the World. There is now a substance which is Of a Chinese dwarf who arrived reboth professionally and popularly in-dorsed, and concerning which, Mr. J. B. cently in New York, a Herald reporter says: Che-Mah, who is celebrated as the Ferschweiller, Butteville, Oregon, writes: I have often read of the many Ningpo, China, where he was born writes: I have often read of the many cures effected by St. Jacobs Oil, and was persuaded to try the remedy myself. I was a sufferer from theumatism and ex-between himself and his fellow-coun-between himself and his fellow-counre he was born His exact height was a stherer from means and the perienced great pains, my leg being so swollen that I could not move it. I procured St. Jacobs Oil, used it freely and was cured. between minsen and the feature tryman, Chang, of exactly seventy-two inches—of course in the latter's favor. For some eight months these two whims of nature traveled through Europe to-

and was cured. A singular and painful incident re-cently occurred in a New York hospital. Two Polish women, one married, the other single, arrived in a European steamer, and being found to be suffering from smallpox were sent to the hospital. On the way their tickets in some way be-came changed, and the married woman was entered as the single one, and vice versa. The husband of the former went to the hospital frequently to inquire for his wife, and, although she died soon after landing, the authorities, suppos-
