

CLOTHING

HOUSE

In order to close our entire stock of Light-Weight Goods, which is almost complete in each department, we have marked down every garment in our establishment to such low prices that it will be to the advantage of the public to avail themselves of this opportunity to obtain the greatest bargains ever offered in...

Mr. Dinges has positively the cheapest store in the valley, and it will be well for you to call on him and examine his stock and prices, and you will find the best quality of goods at cheaper rates than elsewhere.

My object in selling goods cheaper than other merchants, is simply to convince the people of our valley that it is not necessary to go away from home to buy cheap, but you can save at least \$1 on every \$10 by dealing with me, if you can't I don't ask your trade.

Again another object is to establish a first class store in this valley that goods will be sold at cash prices. All this I am doing at present, as many of my friends know.

I ask your attention to the above facts and tell you candidly that I am selling better goods at cheaper prices than any other merchant in Pennsylvania.

I have the largest bargains in Clothing ever offered in the county. Examine my stock before buying. Very respectfully soliciting a call I remain yours &c.
