DEMOCRATIC COUNTY COMMITTEE MEETING.

A meeting of the Democratic County Committee will be held at the Committee Rooms, over the Waterman office, Bellefonte, on Thursday, July 28, 1881, at 7 o'clock p.m.

LOCAL ITEMS.

Go to Sechler's for your family groceries. None purer—none cheaper.

Had barber's itch for six years. Penman cured me. John Ryan, 709 Penn Ave., Pittsburg, Pa.

Mrs. Frank Huston, formerly of Aaronsburg, now of Morgan, Mo., is visiting friends in Aaronsburg. Frank looks hale and hearty and as natural as of old, though a shade older.

There is trouble ahead for the merchants of the valley, unless they adopt Diegel's system of giving as much goods for the money as possible.

The Evangelical Association meeting on Centre Circuit, commencing August 11th and closing August 18th, will be held in John Keen's grove, 3 1/2 miles from Centre. A heavy rain has extended to all. There will be a boarding house in or near the grove.

New discoveries are announced each week but none since the discovery of Sechler's famous grocery in the Bush house, Bellefonte, has yet equalled the benefits still being derived from that fortunate find.

The Philadelphia Journal has changed hands—Mr. E. C. Bower retiring and W. T. Bair taking control. The outgoing and incoming editors have our best wishes for future success.

My son had a terrible skin disease of head and face. Penman cured him. Mrs. E. Yeter, Pittsburg.

Michael Swartz, of Stephentown, Centre Co., writes us, July 15. All crops well, except wheat, which is a failure. Have a great deal of rain and hot weather. Hay crop heavy. Mr. Thos. Wolf, of Miles, stopped to see me; he informs me of Michael Harper being in the west, but I have not yet seen him.

Cleaveland Dinges has positively the cheapest store in the valley, at least one does dispute. His goods are all first-class, no shoddy tolerated.

Junata and Centre have more horse thieves than any other two counties in the state, says an exchange. This may be so, and is only accounted for by the fact that the horse thieves belong to other counties who come here because we keep the finest horses in the state.

Get your good fresh sugar from Sechler's for confection. Nothing keeps unless it is put up with Sechler's sugar; try it.

Mr. Shultz, tenant on John Hofer's farm adjoining Centre Hall, has put out ten acres of tobacco to experiment with, and if it proves a success we believe it is Mr. Hofer's intention to devote a good large portion of his farm to raising tobacco. Up to this time the tobacco set out under Mr. Shultz's superintendence is remarkably promising.

That was quite an unexpected surprise to hear Dinges throw a bomb into the high price camps and shatter their airy and well-constructed edifice. He brought them down in order to save themselves.

Carl Peterson, who for many years has had his home with Sieriff Spangler, has died after an illness of several weeks, at an advanced age of between 85 and 90 years, and was buried at Centre Hall on Saturday last. Mr. Peterson was a German from the Rhine, and highly intelligent. He served under the first Napoleon in his campaigns, and we believe was at Waterloo. He has a daughter living in Germany.

Are you troubled with hoarseness or pain in the breast? Have you a feeling of dryness in the throat, and a tickling sensation in the larynx, giving rise to a troublesome, hacking cough? Be warned in time. Do not put off for a single hour, but procure at once a bottle of Green's Sore Throat, Honey and Bloodroot.

Rev. A. D. Rowe, late Lutheran Missionary to India, delivers a lecture at Aaronsburg, on last Sunday morning, and at the afternoon at Rebersburg, upon India and the manners and customs of its people. He is an interesting talker, and has with him many curiosities from that distant heathen land, such as idols, paintings, and other articles, which he will return to India again in September, accompanied by wife and children. He has already done a good work there, and we trust God's blessing may further attend him and his labors.

Call at Wells if you are in need of dry goods, groceries, etc., as the largest stock in the valley is to be found there, and at considerably reduced prices.

We regret to learn of the death of lock-jaw, of a son of Rev. L. A. Gotwald, of York, Pa., formerly of Aaronsburg. The lad, who was only 15 years, in jumping to reach for an apple on a limb, about two weeks ago, had his foot wounded by striking upon the teeth of an iron rake lying upon the ground. His injuries were deemed only slight and no uneasiness was felt; so as serious results for 3 or 4 days, when on Saturday of week before last, the boy at dinner told his papa that his jaw felt stiff. The Dr. told him not to mind it, and by rubbing it a little would get better—the injury of the lad's foot having passed, and he was recovering. The boy grew worse and the case soon turned out to lock-jaw, and on the following Monday he died after great suffering. He was a bright boy, beloved by all who knew him, and his funeral was an unusually large one. We regret to sympathize with Dr. Gotwald in his bereavement.

A Smooth Complexion can be had by every lady who will use Parker's Hair-Preparation. It cleanses the face, purifies the blood, and gives a healthy bloom to the cheek. See notice.

Children's suits a specialty at the Pullard Branch. Take your little boys there and get them a nice outfit.

EMPLOYMENT FOR LADIES.—The Queen City Sewing Company, of Cincinnati, are now manufacturing and introducing their new Sewing Supporters for Ladies and Children, and their new Ladies' Skirt Supporters for Ladies. None should be without them; our leading physicians recommend them, and are loud in their praise. These goods are manufactured by ladies who have made the wants of ladies and children a study, and they ask us to refer them to some reliable and energetic lady to introduce them in this county, and we certainly think that an earnest solicitation in every household would meet with a ready response, and that a determined woman could make a handsome salary and have the exclusive agency of this county. We advise some lady who is in need of employment to send to the Company her name and address, and mention this paper. Address: Queen City Sewing Company, Nos. 147 & 149 West Fourth Street, Cincinnati, Ohio.

SUDDEN DEATH.—Last Friday evening July 18th, Mr. Jacob Klecker, who lived near Leavitt, in Hartley township, mowed his horse and rode over to Penna Creek to set his fish net, expecting to return in a few hours. As he was getting home that night, his wife became uneasy, and went in search of him early on Saturday morning. He was found lying on the bank of the creek entirely naked, and almost dead, in which condition he had been lying since he died the whole night. His horse was tied near by and his clothes (which he had taken to set his net) were hanging on a limb. When found he was still alive, but unable to speak. He was carried to the house of Lewis Kline, near by, where he died within an hour, before the physician arrived. It is supposed that just as he came out of the water, after having unhooked his net, and before he could dress himself, he had an attack of apoplexy or something of that nature. Mr. Klecker was about 65 years of age, and was a well respected and useful citizen.—Leavittsburg Journal.

SPRING MILLS ITEMS.

Harvesting about over—at end of this week will be barned. Farmers are feeling as if they had been greatly blessed by Providence. The wheat is as good as it has been known for many years both as to quality and quantity.

Our town is becoming noted as one of the most pleasant places of sojourn during the hot season. New faces meet one at almost every house, and the city is a more welcome or more esteemed than Mrs. Barrett, of Philad., who is at present visiting her brother, our enterprising neighbor, Mr. Frank Barrett.

Mr. E. C. Bower, retiring and W. T. Bair taking control. The outgoing and incoming editors have our best wishes for future success.

My son had a terrible skin disease of head and face. Penman cured him. Mrs. E. Yeter, Pittsburg.

Cleveland Dinges.

Cleveland Dinges. CHEAPEST STORE. CENTRE COUNTY.

Mr. Dinges has positively the cheapest store in the valley, and it will be well for you to call on him and examine his stock and prices, and you will find the best quality of goods at cheaper rates than elsewhere.

You may think he is trying to talk or fill up his ad., but this is not the case as he will show.

My object in selling goods cheaper than other merchants, is simply to convince the people of our valley that it is not necessary to go away from home to buy cheap but you can save at least \$1 on every \$10 by dealing with me, if you can't I don't ask your trade.

Again another object is to establish a first class store in this valley that goods will be sold at cash prices. All this I am doing at present, as many of my friends know.

It will pay you to come 15 or 18 miles to my store, as a number of my customers are doing.

I ask your attention to the above facts and tell you candidly that I am selling better goods at cheaper prices than any other merchant in Pennsylvania.

I have the largest bargains in Clothing ever offered in the county. Examine my stock before buying. Very respectfully soliciting a call I remain yours &c. CLEVELAND DINGES, Centre Hall, Pa.
