"Cigar smugglers are troublesome. A great deal of ingenuity was displayed Activity, rest and recreation are

one the two—or thought I did—as a "An I had caught smuggling eigars about five years before. At any rate, my suspicions were aroused. I came to the conclusion there was something wrong about the body. When an un-dertaker's wagon containing the body into a cab and followed it, directing the driver to keep it in sight, but to driver right past it when it came to a final stop. The cabman had done such work for me before, and knew just what was wanted of him. The wagon pulled up

right past it when it came to a final stop. The cabman had done such work of the darker in hot be system more gentle treatment the badk. It was never real weeks fit, but finally at a house in Greenwich street. The committed in the badk commincating it self to the perceptive powers, and in fuences the senses. We see picture to the house within two hours. We first fuences the senses. We see picture to combat difficulties. It is and hard there was a man in the house had dide of h at the committed in hot has codd weather. A healthy sleep in this hot season is worth a dide of that the two smugglers that we were raise the addied of hat the two smugglers that we were raise the sole or reasmand the was of that precisions and, as yet, so little understood phase govername of Chicals, showing my badky.

PROFESSOR RILEY succeeds Professor Cor stock as entomologist of the agricultural de-

ceive weather reports from Mexico,

partment,

A Washington dispatch says: There is gen-ral commendation of the course pursued in egard to Guiteau. What he would like would regard to Guideau. What he would have be that the newspaper reportors should have secces to him, that his opinions and doings should be spread adroad, and that he should be allowed to feed his love of notoriety by gloating over the papers daily. Instead of this no information is allowed to reach him, and no

has gained, and would like to talk about it constantly if he was allowed to alk to him or give him any information, and he has stopped a last of him or give him any information, and he has stopped a last of him or give "How does he pass his time ?"
"How does he pass his time ?"
"He lounges on the bed a good deal of his time. Sometimes he walks up and down his cell for exercise, and he reads about half his time. After he found that he could not get hold of any newspapers he asked for some reading matter. I mentioned everal books that we had here, but he did not care for them, and said he would read it through by sections. I suppose he meant that he would start at get relief yu using the Balm. I have recommended to be used as a companion volue that he whole edit no the New Testament. He said that he had published the work, but nearly the whole edition had been destroyed by a fire in the print, "which he intended to be used as a companion volue to the New Testament. He said that he had published the work, but nearly the whole edition had been destroyed by a fire in the print, "which he intended to be used as a companion volue. "I have been a sufferer for years with mealidate relief. I believe I an mow entirely cured. G. S. Davis, First National Bank, Eliza, "I have been as advised to try Ely's Cream Balm. I have read out and won relief. I was advised to try Ely's Cream Balm. I have read out ineid as relief. I believe I an mow entirely cured. G. S. Davis, First National Bank, Eliza, "I't CREAM BALM Co., Owego, N. Y.

opinions ?" "He said that he was a Christian, but that he had some peculiar views of his own. He thinks that the econd coming of Christ took place at the destruction of Jerusalem. Ho also holds that people at the present day get inspirations from God just as in the days of the prophets." General Crocker said that there was nothing irrational in Guiteau's manner or behavior. He displays a retentive memory. He has never shown any signs of fear over the consequences to himself of his act.
