The Long Journey. When our weary feet become heavy and wear

-Puck.

On the valleys and mountains of life,

The street of the control of the con

Yes she was afraid of one man, and that was her steward, Neusiedler, he who for years had managed her wast estates, her vineyards and her wheat fields.

And when they arrived, all of them at her fine hotel at Vienna, who should step out to meet them but Sir Lyster!

Nothing but the well become with the well become and when they arrived, all of them at her fine hotel at Vienna, the fine hotel at Vienna, who should be step out to meet them but Sir Lyster!

Nothing but the well become

bold, black-eyed, large-nosed woman, who was twice his size, and who lived in the village, near the castle, and who "Sir Lyster Howard Lyster will go"

face!

A greater marvel art thou than the wonder of Zeus from high Olympus launching thun No. 2 — TO A ROAT. in the village, near the castle, and who spent her time envying and hating the with us!" baronness. Madame Pasteur, the French to look over accounts with Neusiedler, the supper room with a party who fol-slie did show what she never had shown lowed a tall mask in a black domino.

Among her jewels was a splendid ear—was it that of Madam Neusiedter's? rope of pearl-colored pearls, the rarest Was it-could it be? thing in the whole world, neither black Yes! and as she threw back mask and nor white, but pearl color, with three great emerald pendants, each as large pearl-colored pearls, and the emerald W. great emeraid pendants, each as large as a small pear. The emperor always noticed this jewel with a smile and a compliment when the Baroness Rukasina Eltz went to a court ball at Vienna He told her that the empress had nothing the bardays and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the large and it is to be a small to the lost jewels. Oh, heaven! The necklace of the baroness," The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels. Oh, heaven! The necklace of the baroness, and the chicken in the lost jewels of the baroness. He told her that the empress had nothing half as handsome, and it is to be feared that the emperor spoke also of confederates. However, the tall Engthe white neck on which the necklace lishman stepped forward, and two Vien- The cla rested, for Rukavina Eltz was apt to blush and look magnificently well at She behaved with extraordinary coolsuch moments. Then she had great ness, and explained: chains of sapphires as blue as her eyes, "It is indeed the necklace of the diamonds, of course—every rich lady the money, and I have come to Vienna tity of hot water which is encountered raked smooth, so that the runners eshas diamonds—and a grand boxful of to sell the necklace where it is well- in them, affords an outlet to 12,000 tons

grand and lofty, and Madam Pasteur | It was true! Neusiedler had been eard her say one day:
"Do you know, dear baroness, I think which the baroness had had made in the heard her say one day:

"Sir Lyster Howard Lyster will go with us!" said she, as a shade passed over the pale face of her companion.

Oh! that the lady of sixteen quarterer left the baroness, susieller and his wife and that they would be seen in such a low place!

No, she was not seen! she was masked; but that she should even go! What a humor grim, mechanical, and dry: companion, and Matilde, the French Oh! that the lady of sixteen quarter- A maid, who never left the baroness, ings should be seen in such a low place! thought that Neusiedler and his wife No, she was not seen! she was masked; had the evil eye, and that they would but that she should even go! What a A some day wilt the baroness. But Ruka-vina Eitz laughed at this fear, and kept Madam Pasteur thought it, as she saw on her course exultant. Still when the yearly payday came round, and she had man after the other, and then go into

sashes of watered and have the ends back under a rosette, and have the ends raised under similar rosettes.

Mr. Fawcett, postmaster-general of Loppered milk is considerably better for calves in hot weather than skimmilk, being more easily digested. If they are being reared for dairy purpose they should not be fed on new milk, which is too fattening. Oil-meal mixed with their milk will prevent secouring. Begin with a tablespoonful daily and increase it to a pint as the calf grows older.
