The lumber was sent by its purchasers to a sawmill, and the first log was placed in position to be cut into boards. The saw had penetrated only a few inches when there began to appear upon its teeth shreds of clothing and finally it became fast and refused to move further. Investigation disclosed the fact that the log had been made hollow by boring, and had been filled with clothing and other dutiable material, and then plugged up. Indigestion.

The main cause of nervousness is indigestion, and that is caused by weakness of the stomach. No one can have sound nerves and good health without using Hop Bitters to strengthen the stomach, purify the blood, and keep the liver and kidneys active, to carry off the poisonous and waste matter of the system.
