### A Summer Idyl.

Ob, summer sweet ! Oh, summer fair ! w forest ways are dusk and cool, And radiant through the sunlit air The dragon flies dart o'er the pool

The heavy heads of bearded whea Wave slowly, rich with harvest gold; And in the orchard's dim retreat, The birds a merry council hold.

The crimson poppy bows its head \* The gladiole, and fuschias red. Burn in the garden's robe of green,

Where hollyhocks nod in the breeze, And clover blossoms lowly bloom The golden-dusted bumblebees Revel in honey and perfume.

The purple swallows circling fly, re ruined stands the a The sable crow, with boding cry Wings slowly o'er the mour

Where, by the river, willows stand, With pendant branches long and lith In level sweeps of meadow land The stalwart mowers swing the scytl

The patient oxen lingering, pass Along the maple-shaded road. Or, standing, crop the scented grad

While men pile high the fragrant load. Each year I seek the sturdy oak That sentinels the windy hill,

And see the city's distant smoke The river flowing deep and still. And lying there the long years fade,

And toil and care are all forgot; The world lies wide beyond the shade Love makes a world of that small spot

There, when along the mellow skies Rippled the waves of noon-tide heat, Love's answer came from radiant eyes, Oh, summer fair ! Oh, summer sweet -Thos, S. Collier, in Good Company.

# MRS. DEAN'S FAMILY.

The following paragraph, appearing in the Renton Weekly News some days after the Dean family had come to the first introduced them to the no-first introduced them to the notime their praise had become a classic song in Ne in Nerraw street: "She must be a tematature. Mr. Charles Dean, who, we under her years," said Jo, at a venture.

stand, has for several years past been engaged on a work relating to the Revoonary struggles, has rented of Mr. Norman, senior, the old Rayner prop-erty, while writing that portion of the work of which our city was the proud work of which our city was the proud work of a sister accompanie the scale of the sister accompanie filial regard as they walked beyond ear-

that the time was about 10 o'clock in the morning when, at the sound of a strange voice at his elbow, he glanced up from his paper while seated under the awning in front of his store, and hare found a honse that would batter the awning in front of his store, and discovered Miss Dean standing near him. Usually the rush of custom occu-pied the elder grocer until the hour mentioned, when it was his habit to take the *News* in one hand, a certain deal chair in the other, and making as: "You and grandmother I know will oft-repeated remark to his son: "Don't

cidedly favorable impression. "Jo, but I said nothing, I hope, that need be

cidedly favorable impression. "Jo, but I said horing, I hopping the keys. That's my son, ho's recalled." the youngest; my married daughter lives out in Ohio." hore it it is old." Miss Jennie, as she let Jo go out. "You lives out in Ohio." hore it it is old." so out in Ohio." 'It's a very nice house, if it is old," musn't mind her." 'It's a very nice house, if it is old," "The dear old lady," said Jo, much \$25, has been formed for joint stock \$25, has been formed for joint stock forming in Great Britain. Each estate

said Jo, coming forward with the keys. "An excellent, comfortable house," added the tather, taking the keys from Jo's unwilling hands, and giving him one of those stereotyped looks which always accompanied his "Don't go away, addy and his father cross the street and enter the house. "Yes, there he goes, coughing his head off with the dast." muttered Jo. "The dear old hady," said Jo, much pleased. Sometimes Mr. Dean, a middle-aged gentleman, would happen in while Jo was making these semi-social business in Holland of 4,000 acres have for ten-buke of Buckingham, an excellent man the town and its people. Mr. Dean was enter the house. "Yes, there he goes, coughing his head off with the dast." muttered Jo.

"Yes, there he goes, coughing his head off with the deast," multered Jo. Then resolutely walking into the store, he opened the door leading into the astore, dwelling part, and amazed Mrs. Badger, who was seated paring potatoes and reading a tract, by requesting her to keep an eye on the store a moment. It not store a moment, It keep an eye on the store a moment. It keep an eye on the store a moment. It was a most unheard of action on the part of Joseph to leave the store in his father's absence, a fact that Mrs. Bad-ger had ascertained when the sound of the strange voice before the store com-pelled her to the marrow aperture of the keyhole in the intervening door. Jo strode across the street and entered the house while his father was still fambling at a window shutter. Keep an eye on the store a moment. It answer one day, he took care to be posted on before his next visit; and no doubt Mr. Dean picked up some little from being very much amused. Jo was highly flattered at the attention which home took "Mother Dean" chiefly for a subject, they were repeated by Mrs. Badger, embellished by astute com-the form of money or official position. Ne notice was taken of his demands,

the house while his father was still fumbling at a window shutter. "The air is too close here for you, "The air is too close here for you, father," said Jo, in a decided tone. "Go back to the store and Tll show the house." Without waiting for the very probable dissent, Joseph began un-fastening the shutters, excusing the dust, and pointing out the various merits of the property with great brisk-ness.

st, and pointing out up for brisk-rits of the property with great brisk-ss. "Well, well!" muttered Mr. Norman, hall tendered its commodious lecture-hall tendered its commodious lecture-hall tendered its commodious lecture-tion. The function of National Historians and Physicians at of National Historians and Physicians at MAUD LOVEJON, nine years old, bitten sev "Well, well!" muttered air. Norman, stepping to the front door for fresh air, and wiping his beaded forchead. "What

pealed to in vain. At a point in the pro-ceedings, "enlivened by a select orches-tra," as the News reporter put it, Mr. of the happiness and chearful much very; "a deacon, he tells me, in one of Ruddiford rose to annou ce certain pledges of contributions that unsolicited had been sent in to the committee ings. My parents were worldly people, and I owe everything to my dear grand-mother's benign influence." ted had been sent in to the committee by persons who could not be present, and heading this list was Mr. Charles Dear an enough contributor, fifty dollars, Dean, annual contributor, fifty dollars, an announcement that caused the Nor-"She must be a remarkable lady for
