Stone coffins occur among the Anglo-Saxons as early as 695, and were not quite obsolete before the reign of Henry VIII. Flour-Penn. Ex. Family, good 6 50 @ 6 50 No. 2 Red. . utter-Creamery, Extra Pa... heese-New York Full Cream.

Henry VIII. Drunken Stuff. How many children and women are slowly and surely dying, or rather being killed, by ex-cossivo doctoring, or the daily use of some drug or drunken stiff called medicine, that no one knows what it is made of, who can easily be cured and eaved by Hop Bitters, made of Hops, Buchu, Mandrake, Dandelion, etc., which is so pure, simple and harmless that the most frail woman, weakent invalid or smallest child can trust in them. Will you be saved by them? See other column. Petroleum-Crude..... Refined
