Democratic State Nomination.
FOR STATE TREASURER:
ORANGE NOBLE, of Erie.
DEMOCRATIC COUNTY TICKET.
For Associate Judges—John K. Runkle,
For Sheriff—Thos. J. Dunkle,
For Prothonotary—J. C. Harper,
For Register—James A. McClain,
For Recorder—Frank E. Bible,
For Commissioners—A. J. Grest,
John Wolf,
For Auditors—John S. Woodfoot,
F. P. Musser.

A NOBLE CANDIDATE.
The Character of the Democratic Nominee for State Treasurer Extends Far from His Political Opponents.

Taking the character of Mr. Noble as a guide we are prepared to believe that no evil will follow it. It is chosen to exercise the custody of the state exchequer for the two years to follow the election, his well known integrity of purpose and business methods constitute a guarantee that the trust will be faithfully executed, and much as the necessity of elevating democrats to places of trust will be regretted, it would be a lesser evil than that of perpetrating the rule of the bosses.

The democrats have nominated an exceptionally good man for state treasurer, and no one need be sorry, for it should have the effect of elevating democrats to places of trust which will be regretted, it would be a lesser evil than that of perpetrating the rule of the bosses.

The democrats have nominated an exceptionally good man for state treasurer, and no one need be sorry, for it should have the effect of elevating democrats to places of trust which will be regretted, it would be a lesser evil than that of perpetrating the rule of the bosses.

Mr. Orange Noble, who has been selected by the democrats of Pennsylvania as their candidate for the office of state treasurer, is in every way qualified for the position. He is a good business man, and thoroughly identified with some of the most important industries of the state.

RUNKLE & LARIMER.
For the last time we speak for the democratic nominees for associate judges, Runkle and Larimer. You know them both; they are old citizens and are men of unimpaired reputations.

Democrats look out for the customary republican shenanigans before the election. They generally have something horrible to tell about our nominees. Pay no attention to these, it is an old game. Vote the ticket solid on Tuesday—it has none but good men on it.

DON'T TRADE.
Democrats, there is no necessity for trading off any of our candidates on next Tuesday. We can elect the whole ticket, and should do it, because every nominee on our ticket is deserving every democratic vote.

J. CALVIN HARPER.
When a man has served a position as well and faithfully as J. C. Harper has the office of Prothonotary, he deserves a re-election by an increased majority.

COLLAPSE OF THE IRISH LEAGUE.
The Land League in Ireland has collapsed. It is a sad state of affairs that the League made a fatal mistake when it proclaimed a general strike against rents.

JAS. A. MCCLAIN.
Jas. A. McClain, our nominee for Register, is the pride of our ticket. Mr. McClain is one of the finest young men of our country, and possessed of more than ordinary business capacity.

President Arthur has now partly rejected his cabinet. Judge Pollock, stalwart of New York, becomes Secretary of the Treasury in place of Morgan. James to remain post-master general.

Quitman's trial has been postponed to Nov. 14.
—Boys' suits, all styles, and at astonishingly low prices at the Philad. Branch clothing hall. Take your little fellow, who may be a future president, and let him rig him up in the newest kind of a suit for a couple of dollars.

DON'T STAY AT HOME.
Democrats don't stay at home, on Tuesday, 8th. The republicans will have a full vote on, on account of their fight for commissioner.

Let no democrat stay away from the polls, therefore. The republicans are getting out their full vote in order to make up for the loss they may sustain through the independent candidacy of Chas. S. Wolfe.

THOMAS J. DUNKLE.
Why should any democrat vote against Thomas J. Dunkle? During this whole campaign we have heard of no truthful reason for such a thing. Mr. Dunkle belongs to the common, hard-working class of our fellow citizens, and is held in the highest esteem by all his neighbors.

GREST AND WOLF.
A. J. Grest and John Wolf, the democratic nominees for commissioners are gentlemen of the purest character—this none attempt to deny. They are old citizens and natives of the county; they are known to be liberal, honest and straight-forward in all their dealings.

HONEST JOHN SHERMAN.
Senator John Sherman last week made a resolution in the Senate calling for the report recently made by Treasury officials upon alleged irregularities in the Treasury, occurring during his administration.

There is another singular fact about this matter. While Sherman advocated the production of the report, he objected to, and with his republican associates voted down a proposition to produce also the testimony taken by the examining committee.

HAYES SUPPORTING THE STAR ROUTE ROBBERIES.
The Sun says it is well alleged that while Rutherford B. Hayes was fattening on the unfruct of his stolen office, the Star route robbery was brought to his notice by Mr. Tyler.

A FALSE CHARGE.
CENTRE HALL, Oct. 25, 1881.
Dear Sir—I am informed that Mr. John A. Harber is circulating a rumor that I have stolen or embezzled \$500 of the above company, and that all the money was given to me for a charge. Respectfully, yours,

THREE COW BOYS KILLED.
Tombston, A. T., Oct. 27, 1881.—Four cow boys, Ike and Bill Clanton and Frank and Tom McLowery, have been parading the town for several days, drinking and making themselves obnoxious. City Marshal Earp arrested the boys, and after they were released, the four cow boys met the City Marshal, his brothers, Morgan and Wyatt Earp, and Sheriff Hays, and they were ordered to give up their weapons when a fight was begun, about thirty shots being rapidly fired. Both the McLowery boys were killed, Bill Clanton was mortally wounded and died soon after. The Earp boys were slightly wounded in the shoulder, and Wyatt Earp was also slightly wounded. The boys were un-burt.
