NEWS OF THE WEEK. A BERLIN dispatch says that emigration

Expectancy of Life.

Life insurance companies have, by the close study of vital statistics, come to the following conclusions as to what may be expected of the continuance of life: A person one year old may expect to live thirty nine years longer; of ten years, fifty one; of twenty years, forty one; of thirty years, thirty-fonr; of forty years, twenty-eight; of fifty years, twenty-eight; of fifty years, twenty-one; of sixty years, four.

A Holyoke, Mass., exchange alludes to the cure of D. O. Judd, E-q., U. S. Supervisor of Postal Card Manufactory, who was cured by St. Jacobe Oil of rheumatism and neuralgia.—Bridgeport (Conn.) Standard.

Some curious person having counted the career of Hostetter's Stomach Bitters has proved to be curable are those experienced by the rheumatic. Tostimony of the most convincing character establishes the fact that the potential time is safe, and its superiority is very maniform.

Anong the aches which the unprecedented career of Hostetter's Stomach Bitters has proved to be curable are those experienced by the rheumatism. Among the aches which the unprecedented career of Hostetter's Stomach Bitters has proved to be curable are those experienced by the rheumatism and most convincing character establishes the fact that the potential time is the rheumatic. Tostimony of the most convincing character establishes the fact that the proved to be curable are those experienced by the rheumatism and most convincing character establishes the fact that the other residues of the pharmacopogia, has succumbed to the action of this beneficent blood dopurent. Add to this fact the important one that it is safe, and its superiority is very manifecture of the ordinary drugs used to overcome that it is safe, and its superiority is very manifecture of the ordinary drugs used to overcome that it is safe, and its superiority is very manifecture of the ordinary drugs used to overcome that it is safe, and its superiority is very manifecture of the ordinary drugs used to overcome that it is safe, and its supe
