"Seratch Him."

A short time ago a juror ar peared before one of the judges of this county, who is celebrated for dispatching business and using no unnecessary words in giving his orders, and asked to be excused.

"Swear him in, Mr. Clerk."

"What is your excuse?"

"I have got the itch—I am itching now."

"Mr. Clerk, scratch him."

"Mr. Clerk, scratch him."

Whereupon the clerk scratched his name from the list.

When the juror returned to his store he said he never spoke truer in his life than when he said he was atching, "for," said he, "I was itching; but it was to get back to my business."—

No Beea that Science has Conferred Has been fraught with greater blessings than that which has accrued to the inhabitants of malaria ridden portions of the United States and the tropics from the use of Hostetter's Stomach Bitters. The experience of many years but too clearly demonstrated the inefficiency of quinine and other drugs to effectually combat the progress of intermittent, congestive and bilious remittent fevers, while on the other hand it has been no less clearly shown the progress of intermittent, congestive and bilious remittent fevers, while on the other hand it has been no less clearly shown the progress of intermittent, congestive and bilious remittent fevers, while on the other hand it has been no less clearly shown the progress of intermittent, congestive and bilious remittent fevers, while on the other hand it has been no less clearly shown the progress of intermittent, congestive and bilious remittent fevers, while on the other hand it has been no less clearly shown the progress of intermittent for malaria ridden portions of the United States and that which has accrued to the inhabitants of malaria ridden portions of the United States and the tropics from the use of Hostetter's Stomach Bitters.
