#### Three Shadows.

- I looked and saw your eyes In the shadow of your hair, As a traveler sees the stream In the shadow of the wood;
- And I said: "My faint heart sighs, Ah, me ! to linger there,
- In that sweet solitude.'

"Yes, tantrum; and he takes you girls to drive, and it's all very pretty.
Jest let him be here in the winter, and he'd drive tantrum, sure enough."
"Wouldn't it be fun?" asked Maud.

"Would you really take us in if we came

would add much to the general hilarity.

"This is perfect folly. If you do go back to the house instantly you him out and ask all the rest who were there."

"But is the impossible which harpointed irre some occult reason Mr. and the same pick of the same pick of the same pick of the popular to any other same pick you need the same pick of the same pick of him possible which harpointed time at the rendexvors. With the exception of himself and prome short, who looked already vicinitized, it was as gay a party as Boston could furnish. As usual, it was Mand who was leader and prime shortless and prime shortless and prime shortless and prime shortless. It is discharded the earth of the same pick of high applications. Leaf and not seen and prime shortless and minimal to the same pick of high application of was the same pick of high application of was a same could turnish of the same pick of high application of was a same could turnish of the same pick of high application of was a same could stant and unlooked for opportunities of carrying out certain intentions. Leaf and not seed that the saw here he became fassed who was ready pected and not seed to the contract of the same pick of high application of was a principle. When the ladies and many that the saw here he became fassed who was ready fainting with their most serious schemes.

Mr. Thornton felt out of his element, as he had done so many times during the same pick of high application of the contraction of the same pick of high application of the contraction of his proposed to the distribution of the contraction of the same pick of high application of the contraction of

Two Hands,

A little hand, a fair, soft hand,

A hand as idle and as white

As lilies on their stems; Dazzling with rosy finger-tips

Dazzling with crusted gems. Another hand-a tired, old hand

Written with many lines;

A faithful, weary hand, whereon

The pearl of great price shines For folded, as the winged fly

Sleeps in the chrysalis

Within this little palm I see

That lovelier hand than this

HUMOR OF THE DAY.

It may be right occasionally to take a bull by the horns, but it is always well to keep in mind that the horns belong to the bull.

The Asiatic breeds, such as the Brahrogue with as much ease as you would a dark lantern. No matter how swiftly Marshall & Co., of London, have bought 1,300,000 acres in Mississippi purchase consists in cod part of lovee lands in the Yazoo delta. A Nashville syndicate holds seer; "perhaps there are a few little back rackets in your life, sir, that wouldn't bear a microscopic investigation."

"Oh, sir," said the editor, visibly agitated, "don't recall the past; don't bring up the memories of the tomb; I know I've led a hard life—I don't deny it. I killed Shorty Barnes, the Bowery boy of New York—backed him all to plees with a kife. I have atoned for it at housand times. I bleew a man's trees out of a swamp where they have lain for hundreds of years. The swamp l

As to the five-wire fence, a short time ago I was driving some hogs, and hog-like, they "took another notion," and ran right through the wire fence, and though the barbs made them squeal, they did the same thing again and again, and they were not pigs either, but hogs that would weigh over 300 pounds. Another objection to barbed wires is that horses and cattle in passing along or standing near, especially in "fly time," often switch in that direction, and often stay switched.

A farm can be stocked with sheep theorem than with any other enjagels. A farm can be stocked with sheep cheaper than with any other animals. Sheep will come nearer to utilizing chants do not advertise so freely. Here chants do not advertise so freely. Here is the mistake. If there be any differerence, advertising should be more brisk. If merchants have bargains to offer now is the time to induce purchases. It is now that purchasers watch for bargains and bite a hook that is temptingly baited, and how much better it is that merchants who have goods with which to hait backs should everything which grows on a farm. Less labor will be required for getting feed and stock together. The returns will come in sooner and oftener than with
