

REPORTER SUPPLEMENT

ENCOURAGING!

Having been encouraged by the steady increase of business, I have repainted and added to the external as well as to the internal appearance of my DRUG HOUSE, thereby making it more attractive to my customers. I would now thank my customers for their liberal patronage in the past, and solicit a continuance of the same. My stock is as neat full as possible. I am in complete communication with the principal Drug Houses of New York and Philadelphia and am supplied with cuts and price lists, and anything in my line not kept in stock, will be sent for at once and delivered at the same prices that it could be bought at if you went or sent yourself. I buy my drugs for cash, pay no discounts, which enables me to sell just as cheap as any other drug store in the county. All business between dealer and customers strictly confidential. J. D. MURRAY, jun 22d Centre Hall.
