

Inverse to close out stock.

— When we observe the vastamonnt of sugar, coffice, teas, cheese, cured meats, dried and canned fruits, and other tay dired and canned fruits, and other tay ble groceries that are constantly being carried off by house keepers from Sechler's grocery, a faint idea can be formed what it requires to satisfy the stomachs of the 15 hundred million inhabitants of the globe. The quantify is beyond com pretension. Yet all this food requires system in preparing, handling, etc., so as to put it in easy reach of the million whowed suffer were there a ciss.
