D. F. Fortney, appeared as attorney for the county, and cited the act of 1856. which fixes the compensation for board Union ing prisoners at a sum not to exceed 25 cts per day. A. O. Furst appeared fo Mr. Spangler and brought in evidence the contract with the commission ers by which the Sheriff was allowed 50 cts per day, and the custom for years in thi county allowing the Sheriff a higher sum than 25 cts, and that Sheriff Spangle was simply living up to his agreement. The whole question being a point of law Judge Watson sustained the Audi tors but recognized the fact that justice was on the side of the Sheriff and that the compensation as fixed under the law

was not adequate. Three-fourths of the citizens of the county will agree with the Judge, and admit that Sheriff Spangle should be allowed a larger sum. Judge Watson will give the matte
