> for N. Fremont St., Baltimore During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paraly-sis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from ir digestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am al le to get up and go around and am rapidly improving.

TWENTY-TWO LIVES LOST SAN FRANCISCO, January 28 .- Details have been received from Sydney, N.S.W. of a disaster in an Australasian mine, on December 12th, by which twenty-two miners lost their lives. The mine was accidentally flooded and after being imprisoned sixty hours five men out of twenty-seven in the mine were brought up in an exhausted condition. Only by clinging to the timbers could they keep their chins above water, and one by one during the sixth hours' struggle twenty-two of them dropped off exhausted and were drowned.

A WOMAN MURDERS HER THREE CHILDREN AND ATTEMPTS SUI-

MILWAUKEE, Wis., January 23 .- A terrible tragedy occurred here at noon to-day. The wife of John Zimbrick, a laborer, living in sixth street, killed her three children -the oldest of which was seven years of age, and the youngest eighteen months -in a most brutal manner, literally cutting them to pieces and disemboweling them. The attention of the neighbors was attracted to the scene by the woman's attempt to hang here herself in an out-house They cut her down and brought her into the house, where the horrible spectacle was discovered. Mrs Zimbrick was at once arrested. She took her arrest very coolly, stating that she had read in the Good Book that it was right to sacrifice children. She is doubtless suffering from religious

The body of Baldwin has not yet been recovered from the wreck, which is of such extent as to block the road for several

Another account says three trains consisting of sixty-nine cars and three engines were coupled together and while going down a steep grade became unmanageable and started at a fearful rate of speed. At a high trestle the first engine left the track dragging all the cars after it. Seven dead men on the train and not one of them can" be found alive.

or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated

is of the highest value.

As soon as it had been tested and proved by the whole world that Hop Bitters was the purest, best and most valuable family medicine on earth, many imita-tions sprung up and began to steal the notices in which the press and people of the country had expressed the merits of H. B., and in every way trying to induce suffer-ing invalids to use their stuff instead, expecting to make money on the credit and good name of

Many others started nostrums put up in similar style to H. B., with variously cunningly devised names in which the word "Hop" or "Hops" were used in a way to induce people to believe they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits.

Beware of them. Touch none

of them, but: Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.
